Problem Location

Address

Check box if address same as above

City

ZIP

If located in a public area, name and describe the general area

Have you used County Vector Control Program services in the past?

If yes, how long?

If you are reporting a rat problem, please complete the information below. Describe in detail what evidence and where you have observed rat activity.

Exterior (outside):
(fence line, fruit trees, yard)

Interior (inside):
(in garage, attic, kitchen)

Are you currently using a pest control operator?

Thank you for filling out the form. A representative will be getting in touch with you within 3 business days. The San Diego County Vector Control Program provides free of charge: a rat inspection on the exterior of structures, a trap station, an informational material. The Vector Control Program does not sell or provide bait. Please check with your local home improvement/hardware or feed store regarding availability of bait.
