Solid Waste Handling Fees - All solid waste handlers within the jurisdiction of the County of San Diego LEA shall remit \$0.19 per ton of solid waste handled.	65.107(j)(8)	\$ 0.19/ton
Exclusion: The fee shall not be assessed to solid waste handlers if it can be demonstrated to the satisfaction of the County of San Diego Local Enforcement Agency (LEA) that the waste was recycled and/or diverted from the solid waste stream. Additionally, this fee will not be assessed to solid waste handlers for each ton of waste for which it can be demonstrated to the satisfaction of the LEA that the fee was collected at a disposal site within the jurisdiction of County of San Diego LEA.	65.107(j)(8)(a)	
All solid waste handlers within the jurisdiction of the County of San Diego LEA that receive revenue or income or charge fees for handling the solid waste shall maintain records and report waste handling information to the LEA in a manner or on a form provided by the LEA quarterly on or before May 1, August 1, November 1, and February 1 respectively and the records used to prepare these reports shall be maintained for a minimum of three (3) years. These records shall be made available for inspection by the LEA upon request during normal business hours.	65.107(j)(8)(b)	
For purposes of this section, "solid waste handlers" means any person, a agency or business that collects, transports, stores, transfers, disposes, or processes solid waste within the jurisdiction of the County of San Diego LEA.	65.107(j)(8)(c)	
LEA Review of Required Submissions: LEA processing of application or notification materials for a solid waste facility permit or other allowed operating status, and processing of related informal submissions by project proponents inquiring concerning a solid waste facility permit or a potential permit modification or revision, and review and processing of any required technical reports or proposed plans related to solid waste management activity or the correction of illegal or unpermitted activity. This includes but is not limited to the costs of reviewing reports, investigation plans, closure plans and evidence of financial ability. To be paid by the applicant or project proponent, based on LEA time expended at the approved hourly rate as authorized in subsection (m). The LEA may require that a deposit be made against the estimated cost of reviewing or processing each submission by the operator applicant or project proponent.	65.107(j)(9)	<i>Varies, see hourly rates in miscellaneous department fees</i>

Permit Type	Code Section	FY 2023-24 Approved Fee
<p>Unauthorized or Non-Compliant Solid Waste Activity:  LEA investigation and resolution of any solid waste activity conducted without a required permit or in accordance with state solid waste regulations, including LEA review of any required reports to the LEA. Also the Department costs to investigate a complaint of non-compliance at a facility required to have a solid waste facility permit or other entitlement to operate, or in accordance with state solid waste regulations, and the Department's costs to verify return to compliance not otherwise recovered through a reinspection fee, if but only if the complaint is substantially validated: To be paid by the responsible party based on LEA time expended at the approved hourly rate as authorized in subsection (m), if but only if unpermitted or otherwise illegal or non-compliant activity is substantially validated: Assessed at the approved hourly rate as authorized in subsection (m). This fee is in addition to any fines or penalties imposed for the unpermitted activity-compliant activity, and in addition to any permit application fees that may apply. The LEA may require that a deposit be made against the estimated cost of reviewing or processing each submission by the responsible party.</p>	65.107(j)(10)	<i>Varies, see hourly rates in miscellaneous department fees</i>
