COTTAGE FOOD OPERATION LABELING REQUIREMENTS

Assembly Bill (AB) 1616, the Homemade Food Act, commonly referred to as the Cottage Food Operation (CFO) Law, allows individuals to prepare and/or package certain non-potentially hazardous foods from within their home kitchens and sell directly and indirectly to the public. All CFO products must be properly labeled for sale to the public. Cottage Food Operators are required to meet the labeling guidelines defined in Section 114365.2 of the California Health and Safety Code. The following information is provided to assist Cottage Food Operators properly complete their product labels. Labels submitted for review must have all of the required information to be approved.

The following information must be present on all CFO product labels. Please see the accompanying pages for specific label samples.

1. The common or descriptive name of the product.
2. The business name of Cottage Food Operation.
3. The physical address of Cottage Food Operation. The address shall include the Street Number, Street Name, City, State and Zip Code. If the CFO business is listed in a major telephone directory with the name of the business and complete physical address, then just the City, State and Zip Code of the Cottage Food Operation needs to be provided on the labels.
4. A consumer notification indicating that the product was not made in a commercial facility. The wording "Made in a Home Kitchen" or "Repackaged in a Home Kitchen" shall be used as applicable. **Both must be printed in no less than 12 point font.**
5. A complete list of product ingredients. If the product contains two or more ingredients, the ingredients must be listed in descending order of predominance by weight. Sub-ingredients of a food that is an ingredient in a CFO product must also be listed following the name of the ingredient.
6. An Allergen Declaration written in plain language must be present on the label if the food being prepared contains any of the major food allergens: milk, eggs, tree nuts (e.g., almonds, pecans, walnuts), wheat, peanuts, or soybeans.
7. The Net Quantity (weight or volume) of the food product in the package or container. This information must be stated in BOTH English Units (pound) and Metric Units (grams).
8. The Registration Number (for Class A operations) or Permit Number (for Class B operations) must be provided. This number is issued by this department after approval of the application. *Note: For label submittal purposes, a placeholder may be used. (ex - DEH2017-FCFO-XXXXXX)*
9. Name of the County issuing the Cottage Food Registration or Permit. (For Class A Operations: Registration Issued by San Diego County; For Class B Operations: Permit Issued by San Diego County).

IMPORTANT: A Nutrition Facts Panel must be incorporated into the label if the food label makes any nutrient content health claims. *Using the following eleven terms are considered a nutrient content health claim (nutritional value of a food): free, low, reduced, fewer, high, less, more, lean, extra lean, good source, and light.*

**The smallest acceptable letter size for the label text (excluding the consumer notification) is 1/16th of an inch in height measured at a lower case "o".*
