## Limited Service Charitable Feeding Operations Registration Guide

Effective January 1, 2019, the California Retail Food Code is amended to include Limited Service Charitable Feeding Operations (LSCFO). A LSCFO is not a food facility but is required to register with the Department of Environmental Health (DEH). Food preparation beyond what is permissible for a LSCFO will require a health permit for a retail food facility.

### What is a Limited Service Charitable Feeding Operation?

A LSCFO is a non-profit organization that provides food to a consumer solely for the purpose of providing charity. These operations typically consist of food pantries and faith based organizations.

### Registration Requirements for Limited Service Charitable Feeding Operations

Charitable organizations that conduct full food preparation do not qualify for registration as a LSCFO and must obtain a health permit for a food facility.

### How to Register with DEH

A representative of a LSCFO may register in person during the hours of 8:00 am - 4:30 pm Monday - Friday at the Department of Environmental Health headquarters located at:

**5500 Overland Ave, Suite 170, San Diego, CA 92123.**

Proof of a current non-profit charitable organization status must be provided at the time of application submittal.
