Food Facility Self-Inspection Checklist

The items listed below represent the major areas evaluated during a routine food facility inspection. This checklist is designed to assist you, the facility operator, in evaluating the condition of your facility between inspections by this department. We suggest that you go through this list, and "check off" those items that you believe are in compliance. Those not checked could be considered a "violation" and should be corrected. We hope this checklist will help you maintain your facility at the highest standards. Please call our main office at 858-505-6900 if you have any questions.
