

COUNTY OF SAN DIEGO

THE NOBLEST MOTIVE IS THE PUBLIC GOOD

Join the County of San Diego - Department of Environmental Health

Program Coordinator Hazardous Materials Division

The County of San Diego is seeking a Certified Unified Program Agencies (CUPA) Program Coordinator in the Hazardous Material Division (HMD) of the Department of Environmental Health. San Diego's CUPA program is the second largest and one of the most progressive and dynamic in the state.

The Program Coordinator reports directly to the HMD Chief of Operations and works closely with the Chief assisting with monitoring operational goals, developing and tracking performance measures, providing administrative, analytical, and management support for programs and projects where technical analysis and implementation are crucial, as well as directly overseeing division supervisors.

The ideal candidate is knowledgeable and experienced in all aspects of the CUPA, works well in a team setting, delegates effectively, and is skilled at positively motivating people. The ideal candidate also communicates effectively, both verbally and in writing, with the HMD Chief, program staff, government officials, and internal and external customers, including the public. This position is well-suited for someone who wants to work in a county that is recognized as innovative and progressive.
