LOCAL CERTIFIED LABS

Below is a listing of State certified **hazardous waste testing laboratories** located in San Diego County. This list is derived from the California Department of Public Health's May 1, 2008 update and is provided for information only to assist you in complying with the hazardous waste laws and regulations. Appearance on this list is not an endorsement by the County of San Diego, nor does the County warranty the work performed by the listed firms. Firms not included on this list may also provide satisfactory work. California law (HSC 100825) requires environmental testing laboratories be state certified for the test method performed. For additional information on current certification and for additional laboratories performing other assays in California see the California Department of Public Health web site: <http://ww2.cdph.ca.gov/certlic/labs/Pages/ELAP.aspx>
