

Remote Waste Consolidation Site Annual Notification

Complete this page if you are a generator and you collect non-RCRA or non-RCRA regulated hazardous waste initially at remote sites and subsequently transport the hazardous waste to consolidation sites which you also operate.

Complete one Remote Waste Consolidation Site Annual Notification per consolidation site. All generators having the intent to operate under this exemption must notify the CUPA annually.

Refer to HSC Section 25110.10 for eligibility and notification requirements.

(Note: the numbering of the instructions follows the data element numbers that are on the UPCF pages. These data element numbers are used for electronic submission and are the same as the numbering used in 27 CCR, Appendix C, the Business Section of the Unified Program Data Dictionary.)

Please number all pages of your submittal. This helps your CUPA or local agency identify whether the submittal is complete and if any pages are separated.
