## NOTIFICATION PLAN

**STANDARD PLAN:** Please check if you agree to notify customers by door-to-door contact or written handout sheets. It is important that the people going door-to-door are coordinated and trained so they distribute copies to the designated areas of the water system. Maps of the specific areas that the notices are to be distributed should be provided to the customers.

**ALTERNATE PLAN:** Please check if you propose to use another method and attach the alternate plan to this form.
