

APPROVED QUALIFIED PROFESSIONALS

The following is a list of Onsite Wastewater Treatment System (OWTS) Qualified Professionals that are registered with the Department of Environmental Health and Quality (DEHQ) to perform Site Evaluation and OWTS Design Services. All Site Evaluations and OWTS Design Services must be completed by an approved Qualified Professional from this list, and any Qualified Professional not on this list must first be approved by DEHQ prior to conducting work.

List updated as of 3/23/2026

NAME	LICENSE TYPE/LICENSE NUMBER	OFFICE LOCATION	PHONE NUMBER	EMAIL	SERVICE TYPES											OWTS - Standard	OWTS- Supplemental Treatment
					SITE EVALUATION				DISPERSAL DESIGN

C GT	Registered Professional Engineer-Civil Engineer (Geotechnical)	G EG	Professional Geologist-Certified Engineering Geologist Specialty		
		G HG	Professional Geologist-Certified Hydrogeologist Specialty		

Note: This list does not constitute an endorsement by the County of San Diego but only that the professional has completed a consultation to demonstrate minimum knowledge and experience related to the specific OWTS services the individual performs. See Local Agency Management Program (LAMP) Section 3.1 for more information on the registration of OWTS Professionals. DEHQ also verifies the professional has a valid license or registration with the State of California at the time of the consultation. It is recommended that you verify the current status of the professional's license ([Search - DCA](#)) and obtain multiple quotes for proposed work before making a decision as to which professional to hire.
