Symbol	License Type	Note: This list does not constitute an endorsement by the County of San Diego but only that the professional has completed a consultation to demonstrate minimum knowledge and experience related to the specific OWTS services the individual performs. See Local Agency Management Program (LAMP) Section 3.1 for more information on the registration of OWTS Professionals. DEHQ also verifies the professional has a valid license or registration with the State of California at the time of the consultation. It is recommended that you verify the current status of the professional's license (Check A License - CSLB) and obtain multiple quotes for proposed work before making a decision as to which professional to hire.
