Disclaimer: The listing of a contractor on this list does not constitute an endorsement by the County of San Diego but only that the contractor had a valid license with the Contractors State License Board at the time of the listing. This list does not include all contractors licensed in the State of California to perform work on septic systems but only those contractors who requested to be placed on this list. It is recommended that you verify the current status of the contractor's license and the work allowed to be completed under that license by visiting the Contractors State License Board website at www.cslb.ca.gov. In addition, it is recommended that you obtain multiple quotes for proposed work prior to making your decision on which contractor to hire.
