

APPROVED LICENSED INSTALLERS

The following is a list of Onsite Wastewater Treatment System (OWTS) Licensed Installers that are registered with the Department of Environmental Health and Quality (DEHQ) to perform OWTS Installation Services. An OWTS system installation must be completed by an approved Licensed Installer from this list, and any Licensed Installer not on this list must first be approved by DEHQ prior to conducting installation work.

List updated as of 3/20/2026

NAME	LICENSE TYPE/ LICENSE NUMBER	LOCATION	PHONE NUMBER	EMAIL	DISPERSAL SYSTEM							SUPPLEMENTAL TREATMENT SYSTEM

Symbol	License Type	Note: This list does not constitute an endorsement by the County of San Diego but only that the professional has completed a consultation to demonstrate minimum knowledge and experience related to the specific OWTS services the individual performs. See Local Agency Management Program (LAMP) Section 3.1 for more information on the registration of OWTS Professionals. DEHQ also verifies the professional has a valid license or registration with the State of California at the time of the consultation. It is recommended that you verify the current status of the professional's license (Check A License - CSLB) and obtain multiple quotes for proposed work before making a decision as to which professional to hire.
