The County of San Diego Department of Environmental Health Solid Waste Local Enforcement Agency (LEA) has accepted an application package for a modification to the Solid Waste Facility Permit for the Fallbrook Recycling and Transfer Station. The LEA is certified by the California Department of Resources Recycling and Recovery, formerly known as the California Integrated Waste Management Board, to enforce state laws and regulations at solid waste facilities within the County of San Diego excluding the City of San Diego.

Description of Proposed Permit Modification: The proposed modified Solid Waste Facility Permit contains nonmaterial changes to reflect updates to the legal description of the facility to reference Assessor Parcel Number 104-100-75-00; LEA findings and references to current operating permits; reporting requirements; and amendments to the Transfer/Processing Report

LEA Findings: The LEA has reviewed and considered the information, including the environmental effects of modifying this Solid Waste Facility Permit. No substantive changes are proposed in the project and there are no substantive changes in the circumstances under which the project will be undertaken and finds that there are no significant environmental effects arising out of the issuance of this modified Solid Waste Facility Permit. A Notice of Exemption will be filed with the San Diego County Clerk and the State Clearinghouse.

Where a copy of the permit application can be reviewed?

A copy of the permit application is available for review by appointment at the Department of Environmental Health office located at 5500 Overland Drive, Suite 110, San Diego, CA 92123.
