Re: Gregory Canyon Landfill - Solid Waste Facility Permit No. 37-AA-0032

Dear Directors Rothschild and Smithline,

On November 17, 2016, GCL, LLC, sold a portion of the property designated for the construction and operation of the Gregory Canyon Landfill (the "Project") to the Pala Band of Mission Indians. The subject property sold to the Pala includes the landfill footprint.

Accordingly, GCL will not pursue the construction and operation of the Project and will not need a solid waste facility permit. This letter confirms that GCL is hereby voluntarily abandoning its solid waste facility permit and requests that the permit be officially rescinded.

Please confirm in writing to GCL and the Pala that the permit has been rescinded. Please contact me if you have any questions.

Sincerely,

cc: Robert Smith, Chairman, Pala Band of Mission Indians
Shasta Gaughen, THPO and Director, Pala Environmental Department
