

FIGHT
the Bite!

Got Mosquitoes?

How to find a repellent that works to Fight The Bite!

Protect against bites!

Choose a Repellent that:

- ① Has an active ingredient scientifically proven to repel mosquitoes, like:
 - ✓ DEET ✓ Picaridin
 - ✓ IR3535 ✓ Oil of Lemon Eucalyptus
- ② Is EPA Registered (proven safe and effective when used properly)
- ③ Has a concentration of active ingredient that fits your needs (higher % protects longer)

KEEP OUT OF REACH OF CHILDREN

WARNING See additional precautions on back panel

①

ACTIVE INGREDIENT

DEET.....40%

Other Ingredients...60%

③

②

EPA Reg. No. 5555-555

Apply repellent to exposed skin and clothing whenever mosquitoes are biting!
