LEASE AGREEMENT

This lease agreement ("Lease") is dated ______________________ (the "Effective Date" as further described in the SIGNATURES section) and is between the County of San Diego, a political subdivision of the State of California ("County"), and ________________________________, ______________________ ("Lessee").

ARTICLE 1
LEASE OF PREMISES

County leases to Lessee and Lessee leases from County, for the rent and upon the covenants and conditions set forth in this Lease, approximately 13.88 acres of land and the Leasehold Improvements (defined in Section 2.2.1) (the land and Leasehold Improvements are collectively referred to in this Lease as the "Premises") located at the northeast corner of Moreno Avenue and Willow Road in the unincorporated community of Lakeside, California and further identified as Assessor’s Parcel Number 392-030-37. The Premises is further depicted in EXHIBIT “A” DESCRIPTION OF PREMISES of this Lease. The City of San Diego owns the real property between the western boundary of the Premises and Moreno Avenue ("City Property"). Easements on the City Property provide access to the Premises as depicted in EXHIBIT “A”. Lessee shall not encroach upon or use the City Property other than for purposes of accessing the Premises using the easement areas. Use of the City Property for purposes of access to the Premises is further described in Section 5.8 of this Lease.

ARTICLE 2
TERM

2.1 Term. The term ("Term") of this Lease is _____ (__) years, beginning on _____________________ the Commencement Date (defined in Section 2.1.1). The term “Lease Year” as used in this Lease shall mean the 12-month period beginning on the Commencement Date and each succeeding 12-month period thereafter during the Term.

2.1.1 Commencement Date. This Lease shall commence ("Commencement Date") on the date the Premises shall be deemed to be “Ready for Occupancy” when construction of the leasehold improvements described in the conceptual development plan attached as EXHIBIT “C” CONCEPTUAL DEVELOPMENT PLAN (“Leasehold Improvements”) have substantially been completed by County. County shall provide a written Notice (defined in Section 16.1) to Lessee when the Leasehold Improvements are completed and the Premises are ready for occupancy.

2.2 Extension of Lease Term. Provided that Lessee is not in default of this Lease and subject to County consent, which consent may be withheld at County’s sole discretion, Lessee may request an extension of the Term of this Lease for one (1) additional term of _____ (__)
years (each additional term, an “Extension Period”), subject to all original agreements, considerations, covenants, and conditions of this Lease, except for the Rent (defined in Section 3.1) which shall be subject to adjustment adjusted at the beginning of the initial Lease Year of the Extension Period pursuant to Section 3.2 Rent Adjustments of this Lease. To request an Extension Period, Lessee must provide County with written Notice no less than one hundred twenty (120) days and no more than three hundred sixty-five (365) days prior to the expiration date of the Term of this Lease. If County does not consent to or deny a request for an Extension Period in a written Notice within ninety (90) days prior to the expiration date of the Term, the request will be deemed denied. If the Extension Period is approved by County, the Extension Period shall begin the day following the expiration of the Term and all references to the Term in this Lease shall include the Extension Period.

2.3 Holding Over. Lessee shall not hold over in the Premises after the expiration or earlier termination of the Term without the express prior written consent of County. To the fullest extent permitted by law and in addition to and without limiting Lessee’s indemnification obligations in Section 12.1, Lessee shall indemnify, defend, protect, and hold County harmless from and against all Claims (defined in Section 12.1) arising out of or in connection with any delay by Lessee in surrendering and vacating the Premises as required in Section 2.5. If possession of the Premises is not surrendered to County upon the expiration or earlier termination of the Term, in addition to any other rights and remedies of County under this Lease, Lessee shall make monthly payments in an amount equal to one hundred twenty-five percent (125.0%) of the amount of the annual Rent in effect prior to the holdover divided by 12, in advance, on or before the first day of every calendar month during the holdover. As an example, if the Rent payable in effect prior to the holdover is five hundred dollars ($500) per Lease Year, the amount payable during the holdover shall be six hundred twenty-five dollars ($625) per Lease Year, payable in fifty-two dollars and eight cents ($52.08) monthly installments in advance, on or before the first day of every calendar month during the holdover. County may further adjust the holdover amount upward during the holdover by providing Lessee with thirty (30) days written Notice. County’s acceptance of any payment from Lessee shall not constitute County’s consent to any holding over (which consent may only be granted expressly in a written Notice) nor County’s waiver of any of County’s rights or remedies. If any tenancy is created by Lessee’s possession of the Premises following the expiration or earlier termination of the Term, the tenancy shall be on all of the terms and conditions of this Lease, except that Rent shall be increased as set forth above and the tenancy shall be a month-to-month tenancy subject to termination by County with thirty (30) days written Notice to Lessee.

2.4 Lessee Default; County Remedies; Termination of Lease. Subject to the Notice and cure provisions in this section, County shall have all the rights and remedies available at law or in equity upon default by Lessee, including the right to terminate this Lease. The occurrence of one or more of the following events shall constitute a default by Lessee and a breach of this Lease:

a. Lessee’s failure to make any payment required under this Lease when due; or
b. Lessee’s default in the performance of any covenants, conditions, representations, warranties or other obligations under this Lease, other than those requiring payment to County; or

c. Lessee voluntarily files any petition under any bankruptcy or insolvency act or law; or

d. Lessee has involuntarily filed against it any petition under any bankruptcy or insolvency act or law and the matter is not dismissed by a court of competent jurisdiction within ninety (90) days of filing; or

e. Lessee is adjudicated a bankrupt; or

f. Lessee makes a general assignment for the benefit of creditors; or

g. Lessee abandons or vacates the Premises for a continuous period in excess of five (5) days; or

h. Lessee uses the Premises for any unauthorized purpose.

On the occurrence of a default by Lessee, County shall notify Lessee of a default in a written Notice. If (i) Lessee fails to cure the default within ten (10) days following the receipt of a written Notice from County; or (ii) a default, other than a default requiring payment to County, is not curable within ten (10) days, and Lessee fails to commence to cure the default within ten (10) days and diligently pursue the cure to completion, County shall have all rights and remedies available at law or in equity, including the right to terminate Lessee’s right to possession and this Lease. Any failure by County to promptly notify Lessee of a default in accordance with this Lease shall not be deemed a waiver by County of County’s rights on default of Lessee or any subsequent default.

In the event of default by Lessee, County shall have all rights and remedies under law or in equity including without limitation the remedy described in State of California Civil Code Section 1951.4 (County may continue lease in effect after Lessee’s breach and abandonment and recover Rent as it becomes due, if Lessee has right to sublet or assign, subject only to reasonable limitations”), or any successor code section. Accordingly, if County does not elect to terminate this Lease on account of any event of default by Lessee, County may enforce all of County’s rights and remedies under this Lease, including the right to recover Rent as it becomes due. Acts of maintenance, preservation or efforts to lease the Premises or the appointment of a receiver under application of County to protect County’s interest under this Lease or other entry by County upon the Premises shall not constitute an election to terminate Lessee’s right to possession.

2.5 Vacation of Premises. Upon the expiration or earlier termination of this Lease, Lessee shall promptly and peaceably vacate and deliver the Premises to County in the same condition in which the Premises was provided to Lessee on the Commencement Date except for
Improvements (defined in Section 11.1) that County elects to keep pursuant to Section 11.1, ordinary wear and tear excepted. Upon the expiration or earlier termination of this Lease, Lessee shall promptly (i) provide a written Notice to County that contains Lessee’s forwarding address and contact information, and (ii) deliver all keys to the Premises to County.

2.6 **Removal of Improvements.** Improvements installed by Lessee in accordance with the provisions of this Lease that are not a replacement or repair of any County-owned improvement on the Premises shall be and remain the property of Lessee, except for Improvements that County elects to keep pursuant to Section 11.1. The Improvements that remain the property of Lessee, shall be removed by Lessee prior to the expiration or earlier termination of this Lease at Lessee’s sole expense, provided that any damage to County’s property or improvements is repaired and the Premises is left in or restored to the same or better condition as existed on the Commencement Date. If Lessee does not remove Lessee’s Improvements prior to the expiration or earlier termination of this Lease, County may remove, sell, or destroy the Improvements at the expense of Lessee, and Lessee shall pay to County the cost to remove, sell, or destroy the Improvements, together with the cost of repairing any resulting damages to County’s property or improvements, plus associated administrative expenses. At the option of County, any of Lessee’s Improvements not removed by Lessee may be deemed abandoned pursuant to ARTICLE 19 ABANDONMENT of this Lease. Notwithstanding anything to the contrary contained in this Lease, throughout the Term and upon the expiration of this Lease, County shall be the owner of the Leasehold Improvements. The Leasehold Improvements shall not be removed from the Premises by Lessee upon the expiration or early termination of this Lease.

2.7 **Removal of Personal Property.** Prior to the expiration or earlier termination of this Lease, Lessee shall remove all of Lessee’s personal property, including, but not limited to, movable furniture, trade fixtures, office equipment and supplies (“Personal Property”) from the Premises. If Lessee fails to remove all of Lessee’s Personal Property from the Premises, County may dispose of the Personal Property as provided in Chapter 5.5 (commencing with Section 1993), Title 5, Part 4, Division 3 of the Civil Code of the State of California. Lessee shall repair, at Lessee’s sole expense, any damage to Premises or Property caused by the removal of Lessee’s Personal Property.

2.8 **Limitation of Lessee Remedies.** If County neglects or fails to perform or observe any of the terms, covenants, or conditions of this Lease on County’s part to be performed or observed: (1) within thirty (30) days after the receipt of written Notice of default, or (2) when more than thirty (30) days are required because of the nature of the default, and County fails to proceed diligently to cure the default after the receipt of a written Notice of the default, then County shall be liable to Lessee for any and all damages sustained by Lessee as a result of County’s breach; provided, however, that:

(a) any money judgment resulting from any default or other Claim (defined in Section 12.1) arising under this Lease shall be satisfied only out of the current rents, issues, profits, and other income County receives from County’s operation of Premises, net of all current operating expenses, liabilities, reserves and debt service associated with the operation of the
Premises ("Net Income"); or

(b) no other real, personal or mixed property of County, wherever located, shall be subject to levy on any judgment obtained against County; or

(c) if the Net Income is insufficient to satisfy the judgment, Lessee will not institute any further action, suit, Claim, or demand, in law or in equity, against County for or on the account of the deficiency; or

(d) the neglect or failure shall not constitute consent by County for Lessee to perform or observe the terms, covenants, or conditions of this Lease at County’s expense; or

(e) in no case shall County be liable to Lessee for any lost profits, damage to business, or any form of special, indirect or consequential damage on account of any breach of or default under this Lease or otherwise, notwithstanding anything to the contrary contained in this Lease, and

(f) Lessee shall have no right to terminate this Lease, except as otherwise expressly permitted in this Lease.

Lessee waives, to the fullest extent permitted by law, any right to satisfy any money judgment against County except from Net Income. Notwithstanding anything to the contrary in this Lease, Lessee’s right to seek damages from County as a result of a default by County under this Lease shall be conditioned on Lessee taking all actions reasonably required, under the circumstances, to minimize any loss or damage to Lessee’s property or business, or to any of Lessee’s officers, employees, agents, invitees, or other third parties that may be caused by any default of County.

2.9 Automatic Termination. If the Permitted Uses (defined in Section 5.1) are (i) prohibited at any time during the Term by any federal, state or local statute, ordinance, regulation, or court opinion (“Use Prohibition”), or (ii) challenged as inconsistent with any use restrictions for the County-owned property that the Premises is part of and the Permitted Uses are deemed by County to be inconsistent with any use restriction (“Use Restriction”), the Term shall automatically terminate as of the effective date of the Use Prohibition or Use Restriction and all Rent owed under this Lease shall be equitably pro-rated on a per diem basis as of the termination date. To the fullest extent permitted by law and in addition to and without limiting Lessee’s indemnification obligations to County under Section 12.1 of this Lease, Lessee shall defend and indemnify County Parties (defined in Section 12.1) from any Claim challenging the Permitted Uses as being inconsistent with any Use Prohibition or Use Restriction.

ARTICLE 3
RENT

3.1 Rent. Subject to the rent adjustment provisions in Section 3.2 of this Lease,
Lessee shall pay as rent for the use and occupancy of the Premises the sum of __________ dollars ($___) per year (“Rent”). Lessee shall pay Rent in advance, beginning on the Commencement Date and on the commencement of each Lease Year thereafter (“Rent Due Date”), without setoff, deduction, prior notice or demand. If the Term is extended pursuant to Section 2.2 of this Lease, the Rent shall be subject to adjustment pursuant to Section 3.2 of this Lease.

3.2 Extension Period Rent. If the Extension Period is approved by County pursuant to Section 2.2, the Rent for each Lease Year of the Extension Period shall be subject to adjustment as confirmed in a written Notice from County to Lessee, but in no event to an amount less than __________ dollars ($___) or more than __________ dollars ($___) per year.

3.3 Additional Rent. Lessee shall pay to County as “Additional Rent” those charges further described in Section 3.4 and Section 10.3, Section 11.2 and ARTICLE 13 of this Lease and any other expenses, fees, interest, charges, reimbursements of every kind and nature relating to the Premises that may arise or become due under this Lease that are Lessee’s obligation, whether foreseen or unforeseen. Additional Rent shall be due within fifteen (15) days of the receipt of a written Notice from County to Lessee invoicing the charges for the Additional Rent (“Additional Rent Due Date”).

3.4 Address for Rent and Additional Rent Payments. All Rent and Additional Rent together with other amounts of any kind (other than Rent) payable by Lessee to County under this Lease shall be made payable to the County of San Diego, paid using lawful currency of the United States of America which shall be legal tender at the time of payment and shall include a reference identifying this Lease by the “County Contract Number” shown on the cover page of this Lease. Rent and Additional Rent shall be considered paid when delivered to:

County of San Diego
Department of General Services - Fiscal Section
RE: County Contract Number __________
5560 Overland Avenue
Suite 410
San Diego, California  92123

County may, at any time, by written Notice to Lessee, designate a different address for the Rent and Additional Rent payments. County may, but is not obligated to, send Rent invoices to Lessee. All Rent due under this Lease is payable on the Rent Due Date regardless of whether Lessee receives a Rent invoice from County. Lessee assumes all risk of loss and responsibility for payment of late charges if payments are made by mail.

3.5 Failure to Pay Rent or Additional Rent; Late Charge.

a. The late payment by Lessee of any Rent or Additional Rent will cause County to incur expenses not contemplated under this Lease, the exact amount of which is difficult or impracticable to determine. These expenses include, without limitation,
administrative, collection, processing, and accounting expenses. If any Rent is not paid by Lessee to County within five (5) days following the Rent Due Date, on the sixth day following the Rent Due Date Lessee shall immediately pay to County a late charge equal to five percent (5.0%) of the overdue Rent. If any Additional Rent is not paid by Lessee to County within five (5) days following the Additional Rent Due Date, on the sixth day following the Additional Rent Due Date Lessee shall immediately pay to County a late charge equal to five percent (5.0%) of the overdue Additional Rent. These late charges represent a reasonable estimate of County’s expenses and is fair compensation to County for County’s loss caused by Lessee’s nonpayment. If Lessee pays the late charge but fails to pay all unpaid amounts of Rent or Additional Rent due under this Lease, County’s acceptance of the late charge shall not constitute a waiver of Lessee’s default with respect to the nonpayment by Lessee nor prevent County from exercising all other rights and remedies available to County under this Lease or to the fullest extent permitted by law.

b. In addition, if Lessee fails to pay Rent or Additional Rent at the time it is due and payable, any unpaid amounts shall bear interest at the rate of ten percent (10.0%) per year from the date due to the date of payment, calculated on the basis of monthly compounding with actual days elapsed compared to a three hundred sixty (360) day year. However, interest shall not be payable on late charges incurred by Lessee nor on any amounts on which late charges are paid by Lessee to the extent this interest would cause the total interest to be in excess of that legally permitted. If Lessee pays the interest but fails to pay all unpaid amounts of Rent or Additional Rent due under this Lease, County’s acceptance of the interest payment shall not constitute a waiver of Lessee’s default with respect to the nonpayment by Lessee nor prevent County from exercising all other rights and remedies available to County under this Lease or to the fullest extent permitted by law.

c. If a dispute arises between County and Lessee as to the correct amount of Rent or Additional Rent owed by Lessee, County may accept any sum tendered by Lessee as payment, without prejudice to County’s claim as to the proper amount of Rent or Additional Rent owed. If it is subsequently determined that Lessee has not paid the full amount of Rent or Additional Rent owed, the late charge specified in this Lease shall apply only to that portion of Rent or Additional Rent still due and payable from Lessee. Notwithstanding any provision of this Lease to the contrary, County’s Lease Administrator (defined in Section 22.4) may in its sole discretion waive any delinquency payment or late charge upon written application of Lessee.

3.6 Nonsufficient Funds Fee. If Lessee pays Rent or Additional Rent by check and the check is returned to County because of nonsufficient funds (“NSF”), Lessee shall pay County a service charge (“NSF Fee”) of twenty-five dollars ($25.00) for the first NSF occurrence and thirty-five dollars ($35.00) for any subsequent NSF occurrence during the Term. The NSF Fee is in addition to any late charges due under this Lease. If more than one (1) NSF occurrence takes place during the Term, County may serve written Notice to Lessee that the next Rent or Additional Rent payments, for a period of up to three (3) months, shall be paid in cash. In addition, County may require by providing a thirty (30) day written Notice that all future Rent or Additional Rent payments must be in the form of electronic funds transfer, cashier’s check, or money order.
3.7 **Order of Payment.** Payments received from Lessee shall be applied first to NSF Fees, then any late charges, interest or Additional Rent, then the oldest outstanding balance of Rent.

**ARTICLE 4**
**SECURITY DEPOSIT**

Lessee shall pay to County the amount of ____________________ dollars ($_____) as security for Lessee’s performance of this Lease (“Security Deposit”). County shall not be required to keep the Security Deposit separate from County’s general funds, and Lessee shall not be entitled to interest on the Security Deposit. County may apply all or a part of the Security Deposit to any unpaid Rent, Additional Rent, NSF Fee, late charges, interest or other amounts due from Lessee, or to cure any other defaults of Lessee under this Lease, including County’s expenses resulting from the repair and cleaning of the Premises upon the expiration or early termination of this Lease. If any portion of the Security Deposit is expended, Lessee shall, within ten (10) days after County’s demand, deposit an amount of cash sufficient to restore the Security Deposit to its original amount. If bankruptcy or other debtor-creditor proceedings against Lessee occurs, the Security Deposit shall be applied first to the payment of Rent and Additional Rent due County for the periods prior to the filing of the bankruptcy or other debtor-creditor proceedings. The Security Deposit will not be a limitation on County’s damages or other rights under this Lease, or a payment of liquidated damages, or an advance payment of the Rent. If Lessee pays the Rent and Additional Rent and performs all of Lessee’s other obligations under this Lease, County will return the unused portion of the Security Deposit to Lessee after the expiration or earlier termination of this Lease in accordance with the law applicable at the time of the expiration or earlier termination of this Lease.

**ARTICLE 5**
**POSSESSION AND USE**

5.1 **Permitted Uses.** Lessee shall use the Premises for the sole purpose of operating and maintaining an equestrian facility (“Permitted Uses”) and for no other purpose, unless previously consented to in a written Notice from County to Lessee, which consent may be granted, conditioned or withheld at County’s sole discretion. The Premises may also be used for non-equestrian events such as wedding receptions, dog shows, and farmers’ markets and for other purposes approved by the Director (defined in Section 23.1) in a written Notice from County to Lessee, which consent may be granted, conditioned or withheld at County’s sole discretion. No one other than Lessee, and Lessee’s agents, volunteers, employees, or any sublessee or assignee of Lessee approved by County as provided in **ARTICLE 13 ASSIGNMENT AND SUBLETTING** is permitted to use the Premises for the Permitted Uses described in this Lease, and Lessee shall be fully responsible for the activities of Lessee Parties (defined in Section 12.1).

5.2 **Duties and Prohibited Conduct.** Lessee shall not use nor permit the use of the
Premises in any manner that will create waste or a nuisance. Lessee shall not use nor permit any person or persons to use the Premises for the sale or display of any goods and/or services, that, in the sole discretion of County, are inconsistent with the Permitted Uses. Lessee shall keep the Premises in a decent, safe and sanitary condition, free from any objectionable noises or odors, except as may be typically present for the Permitted Uses.

5.3 Compliance with Laws. Lessee, at Lessee’s sole expense, shall procure, maintain and hold available for County’s inspection any governmental license or permit required for the proper and lawful conduct of Lessee’s business. Lessee, at Lessee’s sole expense, shall at all times during the Term promptly comply with all applicable federal (including, but not limited to, Americans with Disabilities Act of 1990 (“ADA”) (42 USC Sections 12101 – 12213)), state and local laws, statutes, ordinances, rules, regulations, orders, covenants and restrictions of record, and requirements (“Laws”) regulating Lessee’s use of the Premises. Lessee shall comply with all Laws in effect as of the Commencement Date or any new or revised Laws enacted or adopted during the Term. The final judgment of any court of competent jurisdiction, or the admission of Lessee or any sublessee or permittee, in any action or proceeding against Lessee or any sublessee or permittee, whether or not County is a party to the action or proceeding, that Lessee, or any sublessee or permittee, has violated any Laws pertaining to the use of the Premises, shall be conclusive as to the violation between County and Lessee.

5.4 Non-interference. Lessee’s use of the Premises shall not unreasonably interfere with public use of the County-owned property adjoining the Premises.

5.5 Non-discrimination. When using the Premises pursuant to this Lease, Lessee shall not discriminate or permit discrimination in any manner against any person or class of persons because of race, color, religion, national origin, ancestry, physical or mental disability, medical condition, family and medical leave, marital status, sex, sexual orientation, age, veteran status or any other status protected by law.

5.6 Fees. Any fee charged for the recreational use of the Premises shall be in a reasonable amount and shall not have the effect of unduly limiting use of the Premises by the public.

5.7 County Use of Premises. Pursuant to Section 23.4 and notwithstanding anything to the contrary contained in this Lease, County will reserve the right to use the Property (or a portion thereof) for County use for up to five (5) days each calendar year, at no cost, and will reserve the right to use the Property for emergency purposes, such as an evacuation center, when the need arises and for as long as it is needed for emergency purposes.

5.8 City of San Diego Property. The City Property between Moreno Avenue and the perimeter fencing of the Premises is owned by the City of San Diego. The City of San Diego granted the County two (2) easements for the use of two (2) driveways located on the City Property. Lessee may use the two (2) driveways only in the manner prescribed in the easement agreements, which will be provided to Lessee by County. Lessee shall not use or in any way encroach upon any other part of the City Property.
ARTICLE 6
UTILITIES AND SERVICES

6.1 Utility Services. Lessee, at Lessee’s sole expense, shall provide and pay for all utilities and services necessary for the use and occupancy of the Premises, including, but not limited to, gas, water, electricity, sewage charges or septic service, telephone service and internet service.

6.2 Trash Removal. Lessee, at Lessee’s sole expense, shall provide and pay for trash receptacles and trash removal from the Premises and shall maintain all trash receptacles and trash areas in a clean, orderly and first-class condition.

6.3 Custodial Services. Lessee, at Lessee’s sole expense, shall provide and pay for all custodial services necessary to keep the Premises in a clean, orderly and first-class condition.

ARTICLE 7
MECHANICS’ LIENS

Lessee shall pay, or cause to be paid, all expenses for work performed by Lessee, or caused to be performed by Lessee, on the Premises, and for all materials furnished for or in connection with any work. If any lien is filed against the Premises, Lessee shall cause the lien to be discharged of record within ten (10) business days after it is filed. To the fullest extent permitted by law and in addition to and without limiting Lessee’s indemnification obligations in Section 12.1, Lessee shall indemnify, defend and hold County harmless from any and all liability, loss, damage, attorneys’ fees and all other expenses on account of Claims of lien of laborers or materialmen or others for work performed or materials or supplies furnished for Lessee or persons claiming under Lessee.

ARTICLE 8
SECURITY

Lessee shall be responsible for and shall provide for the security of the Premises.

ARTICLE 9
TAXES, ASSESSMENTS AND FEES

9.1 Responsibility for Payment of Taxes and Assessments. County shall not be liable for paying any taxes or assessments accruing against Lessee on the Premises or any interest of Lessee in the Premises before, during or after the Term of this Lease. All tax payments shall be the sole responsibility of Lessee. Lessee shall be solely responsible for payment of any taxes or assessments levied upon any Improvements, fixtures or Personal Property located on the Premises, to the extent that the taxes or assessments result from the business or other activities of
Lessee upon, or in connection with, the Premises.

9.2 Definition of Taxes. As used in this Lease, the term “taxes” means all taxes, payments required in association with governmental bonds, special assessments, Mello-Roos assessments, charges, rent income or transfer taxes, license and transaction fees, including, but not limited to, (i) any state, local, federal, personal or corporate income tax, or any real property tax or Personal Property tax, (ii) any estate inheritance taxes, (iii) any franchise, succession or transfer taxes, (iv) interest on taxes or penalties resulting from Lessee’s failure to pay taxes, (v) any increases in taxes attributable to the sale of Lessee’s leasehold interest in the Premises, or (vi) any taxes which are essentially payments to a governmental agency for the right to make Improvements to the Premises.

9.3 Creation of Possessory Interest. Pursuant to the provisions of the State of California Revenue and Taxation Code Section 107.6, Lessee is advised that the terms of this Lease may result in the creation of a possessory interest. If a possessory interest is vested in Lessee, Lessee may be subjected to the payment of real property taxes levied on the possessory interest. Lessee shall be solely responsible for the payment of any real property taxes. Lessee shall pay all taxes when due, and shall not allow any taxes, assessments or fees to become a lien against the Premises or any improvement on the Premises. Lessee shall not be prevented or prohibited from contesting the validity of any tax, assessment or fee in a manner authorized by law.

ARTICLE 10
REPAIRS; MAINTENANCE

10.1 Acceptance of Premises. Lessee acknowledges that Lessee has made a thorough inspection of the Premises prior to the Commencement Date, and accepts the Premises in its presently existing, “as-is” condition as of the Commencement Date. Lessee acknowledges that County has made no oral or written representations or warranties to Lessee regarding the condition of the Premises, and that Lessee is relying solely on Lessee’s inspection of the Premises with respect to the condition of the Premises.

10.2 Lessee’s Repair, Maintenance, Restoration and Replacement Obligations. Lessee, at Lessee’s sole expense, shall at all times during the Term repair, maintain, restore and replace all portions of the Premises in a good and tenantable condition to the reasonable satisfaction of County. Lessee’s repair, maintenance, restoration and replacement obligations under this Lease shall apply regardless of whether the repairs, maintenance, restorations and replacements are ordinary or extraordinary, foreseeable or unforeseeable, capital or noncapital, or the fault or not the fault of Lessee, Lessee’s agents, employees, invitees, visitors, licensees, sublessees or contractors. All replacements made by Lessee in accordance with this Lease shall be of like size, kind and quality to the items being replaced and shall be subject to County’s prior written consent. Upon surrender of the Premises, Lessee shall deliver the Premises to County in good order, condition and state of repair, ordinary wear and tear excepted. In addition, Lessee shall maintain the day-use area, public perimeter trail and vegetation along the fence line of the
Premises identified in EXHIBIT “A” in a manner acceptable to the County.

10.3 Lessee’s Failure to Repair, Maintain, Restore or Replace. If Lessee refuses or neglects to repair, maintain, replace or restore the Premises in a manner reasonably satisfactory to County, County may, upon giving Lessee written Notice, make the repairs, replacement or restorations or perform the maintenance on behalf of and for the account of Lessee. If County makes or causes any repairs, replacements, restorations, or maintenance to be made or performed, as provided for in this Lease, Lessee shall pay all of County’s expenses, including administrative expenses, as Additional Rent.

10.4 County Not Obligated to Repair or Maintain; Lessee’s Waiver of State of California Civil Code Section 1942. To the extent that any remedies specified in this Lease conflict or are inconsistent with any provisions of State of California Civil Code Section 1942 (“CC Section 1942”), or any successor statute to CC Section 1942, the provisions of this Lease shall control. Lessee specifically waives any right Lessee may have pursuant to CC Section 1942 to effect maintenance or repairs to the Premises and to set-off any resulting costs from the Rent or Additional Rent due to County under this Lease.

10.5 Certified Access Specialist Inspection. Pursuant to the provisions of State of California Civil Code Section 1938, the Premises has not been inspected by a Certified Access Specialist (“CASP”) to determine whether the Premises complies with all applicable construction-related accessibility standards pursuant to State of California Civil Code Section 55.53. A CASp can inspect the Premises and determine whether the Premises complies with all of the applicable construction-related accessibility standards under state law. Although state law does not require a CASp inspection of the Premises, County may not prohibit Lessee from obtaining a CASp inspection of the Premises for the occupancy or potential occupancy of the Premises by Lessee, if requested by Lessee. County and Lessee shall mutually agree on the arrangements for the time and manner of the CASp inspection, the payment of the fee for the CASp inspection, and the expense of making any repairs necessary to correct violations of construction-related accessibility standards within the Premises. Nothing in this section shall relieve Lessee from complying with all of Lessee’s obligations as to the Premises, as set forth in Section 10.2 of this Lease.

10.6 Transfer of Construction Warranties. Upon the Commencement Date, any construction warranties related to the Leasehold Improvements shall transfer from County to Lessee.

ARTICLE 11
IMPROVEMENTS AND ALTERATIONS

11.1 Improvements. Lessee may, at Lessee’s sole expense, from time to time during the Term add fixtures or make permanent nonstructural alterations, replacements, additions, changes, and/or improvements (“Improvements”) to the Premises as Lessee may find necessary or convenient for the Permitted Uses. Lessee shall provide County a written Notice for any
proposed Improvements that includes specific detail regarding the project. Improvements are subject to the prior consent of County, which shall be formalized in a written Notice from County to Lessee where the consent may be granted, conditioned or withheld at County’s sole discretion, and provided that the proposed Improvements will not diminish the value of the Premises. As part of County’s review of any request from Lessee for proposed Improvements, County may require Lessee to provide additional project information, plans or specifications, and may require submission of proposed Improvements for permitting if required. Lessee will be responsible for all costs associated with permitting if required. If County consents to Lessee’s proposed Improvements, Lessee shall provide a minimum of three (3) sets of working drawings or plans showing the proposed Improvements prior to commencing work. In no event shall Lessee make or cause to be made any penetration into or through the roof or floor of any structure on the Premises without obtaining the prior written consent of County, which consent may be granted, conditioned or withheld in County’s sole discretion. Prior to the expiration or earlier termination of the Term, County shall provide a written Notice to Lessee stating whether County elects to keep any Improvements installed by Lessee pursuant to this Section 11.1.

11.2 Construction Requirements. All Improvements made to the Premises shall be made under the supervision of a competent architect or licensed structural engineer and made in conformity with plans and specifications consented to in a written Notice from County to Lessor pursuant to Section 11.1 of this Lease prior to the commencement of the work. All work with respect to any Improvements must be performed in a good and workmanlike manner, commence within ninety (90) days following County’s consent, and diligently completed to ensure that the Premises shall at all times be a complete unit except during the period of work. Upon completion of the work, Lessee shall record a Notice of Completion in the office of the San Diego County Recorder, as required or permitted by law, and Lessee shall deliver to County, within ten (10) days after completion of the work, a copy of the Notice of Occupancy and the building permit for the work. If requested by County, Lessee shall provide County with two (2) complete sets of “as-built” plans of the Improvements within sixty (60) days following the completion of any Improvements. Lessee shall construct all Improvements in accordance with applicable Laws and shall provide to County unconditional mechanic lien waivers in statutory form executed by contractors, subcontractors, labor suppliers, and materialmen, as the case may be.

11.3 County’s Expenses; Indemnity. Lessee shall reimburse County for all reasonable expenses (including, without limitation, any architectural fees, engineering fees or inspection expenses) incurred by County in approving or disapproving Lessee’s plans for Improvements. County shall provide Lessee with a written Notice containing an invoice for County’s expenses incurred in approving or disapproving Lessee’s plans for Improvements. Upon receipt of the invoice, Lessee shall pay County’s expenses as Additional Rent as provided in Section 3.3 of this Lease. To the fullest extent permitted by law and in addition to and without limiting Lessee’s indemnification obligations in Section 12.1, Lessee shall be liable for and shall indemnify and defend County from any Claims arising from Lessee’s construction or installation of any Improvements consented to by County under this Lease.

11.4 Prevailing Wage. To the extent rent credits, reduced rent, or other payment from
County funds Lessee’s construction, alteration, demolition, installation, repair, refuse and ready-mix concrete hauling, or maintenance work performed on the Premises and the amount of the payment provided exceeds one thousand dollars ($1,000), the project shall be deemed a “public work” for prevailing wage purposes. It is not the intent of this Lease to impose an obligation to pay prevailing wages on work otherwise exempt from the State’s prevailing wage laws. Lessee shall be solely responsible for ensuring prevailing wages are paid when owed. Projects subject to the payment of prevailing wages are subject to compliance monitoring and enforcement by the Department of Industrial Relations. Lessee shall be responsible for ensuring all required job site postings and all certified payroll and other reporting applicable to it as an awarding body are completed in accordance with the State’s prevailing wage regulations. Information regarding the State’s prevailing wage requirements can be obtained from the Director, Department of Industrial Relations at: www.dir.ca.gov, State of California Labor Code Section 1720, et seq., and 8 State of California Code of Regulations Section 16000, et seq. (“Labor Code”). To the fullest extent permitted by law and in addition to and without limiting Lessee’s indemnification obligations in Section 12.1, Lessee shall defend, indemnify, protect and hold County and County Parties harmless from any Claims arising in part or in whole from Lessee or Lessee’s agents, contractors, or employees’ noncompliance with the duties prescribed by this section or the requirements imposed by the Labor Code. Nothing in this Section 11.4 shall limit or modify Lessee’s obligations to comply with the Working Families Ordinance as set forth in Section 17.9.

ARTICLE 12
INDEMNITY AND INSURANCE

12.1 Lessee’s Indemnity. To the fullest extent permitted by law, County shall not be liable for, and Lessee shall hold harmless, defend at Lessee’s own expense and indemnify County and County’s elected officials, officers, employees and agents (collectively, together with County, the “County Parties”), against any and all claims, demands, liabilities (including sums paid in settlement of claims), judgments, awards, penalties, fines, mechanics liens or other liens, labor disputes, losses, damages, personal injury, property damages (real property or Personal Property) or loss, and expenses, charges, or costs of any kind or character (including attorneys’ fees and court costs) (collectively, “Claim” or “Claims”) related to this Lease or Lessee’s occupancy of the Premises and arising either directly or indirectly from any act, error, omission or negligence of Lessee or Lessee’s contractors, licensees, agents, volunteers, invitees, sublessees, servants, employees, [or any trespassers] (“Lessee Parties”), including, without limitation, Claims caused by the concurrent negligent act, error or omission, whether active or passive, of County Parties. Lessee shall have no obligation, however, to defend or indemnify County Parties from a Claim if it is determined by a court of competent jurisdiction that the Claim was caused by the sole negligence or willful misconduct of County Parties. Notwithstanding anything to the contrary in this Lease and to the fullest extent permitted by law, Lessee’s indemnification obligations provided for in this section shall survive the expiration or earlier termination of this Lease.

12.2 Lessee’s Insurance Obligations. Without limiting Lessee’s indemnification obligations to County under this Lease, Lessee shall provide and maintain, during the Term and
for any other period required in this Lease, at Lessee’s sole expense, insurance in the amounts and form specified in EXHIBIT “B” INSURANCE REQUIREMENTS.

12.3 County’s Insurance. County maintains a policy of All-Risk Insurance covering County’s personal property in the Premises, including any fixtures or equipment in the Premises owned by County. County uses a program of self-funding with regard to any liability it may incur for personal injury or property damage arising out of County’s use or occupancy of the Premises.

ARTICLE 13
ASSIGNMENT AND SUBLETTING

Lessee shall not voluntarily or involuntarily assign, sublease, mortgage, encumber, or otherwise transfer all or any portion of the Premises or Lessee’s interest in this Lease, or enter into any management agreements, concessions, licenses, or any other arrangement that allows the possession, use, or occupancy of the Premises by anyone other than Lessee (each, a “Transfer”), without County’s prior written consent. County’s consent to any Transfer shall be conditioned upon the transferee agreeing in writing that it will assume the rights and obligations of Lessee under this Lease with respect to the transferred interest, and that the transferee will keep and perform all covenants, conditions, and provisions of this Lease that are applicable to that interest. County may withhold consent to any Transfer at County’s sole discretion. Any attempted Transfer without County’s consent shall be void and shall constitute a default by Lessee under this Lease. If County consents to a Transfer proposed by Lessee, Lessee may enter into the Transfer, subject to the following:

(a) Lessee shall not be released of Lessee’s liability for the performance of all of Lessee’s obligations under this Lease.

(b) Lessee shall pay as Additional Rent to County an amount equal to fifty percent (50.0%) of all Subrent (defined below) received by Lessee from the transferee. The amount of Subrent owed to County shall be paid to County on the same basis, whether periodic or in lump sum, that Subrent is paid to Lessee by the transferee, subject to an annual reconciliation on each anniversary date of the Transfer.

(c) As used in this Article, the term “Subrent” shall mean any consideration of any kind received, or to be received, by Lessee as a result of the Transfer, if the consideration is related to Lessee’s interest in this Lease or in the Premises less the sum of (1) the amortized amount for each annual period of (i) reasonable leasing commissions paid by Lessee in connection with the Transfer; (ii) reasonable expenses incurred by Lessee in advertising the Premises or the portion of the Premises transferred (“Transfer Space”) and (iii) any Improvements made to Premises as a condition of Transfer, and (2) the Rent and Additional Rent paid during each annual period by Lessee attributable to the Premises or the Transfer Space.
ARTICLE 14
COUNTY’S RIGHT OF ACCESS

14.1 County’s Right to Enter Premises. County and County’s agents, employees, and contractors may enter the Premises at any time to perform work, services or an inspection in response to any event or situation County deems an emergency. In addition, County, County’s agents, employees, and contractors may enter the Premises at reasonable hours and upon reasonable notice to:

a. Inspect the Premises; or

b. Exhibit the Premises to prospective purchasers or leaseholders; or

c. Investigate and determine whether Lessee is complying with Lessee’s obligations under this Lease, including Lessee’s obligations with respect to compliance with Hazardous Materials Laws (defined in Section 17.3.1); or

d. Provide any service that this Lease requires or authorizes County to provide; or

e. Post notices of non-responsibility or other legal notices; or

f. Make repairs that this Lease requires or authorizes County to make; or

g. Make repairs to any adjoining space or utility equipment or facilities; or

h. Make repairs, alterations, or improvements to any other portion of the Premises or the County-owned property where the Premises is located; or

i. Perform any work that may be necessary to comply with Laws; or

j. Perform any work that County may deem necessary to prevent waste or deterioration in connection with the Premises if Lessee does not perform the work promptly after receipt of written Notice from County; or

k. Perform any work that County may deem necessary in connection with the expansion, reduction, remodeling, protection or renovation of any County-constructed or County-owned property, facilities, or improvements on or off of the Premises.

All work performed by County will be completed as promptly as reasonably possible and in a manner that causes as little interference to Lessee as reasonably possible. Nothing in this Lease shall imply any duty on the part of County to do any work which, under any provision of this Lease, Lessee may be required to do, nor shall County’s performance of any repairs on behalf of Lessee constitute a waiver of Lessee’s default in failing to do the work. If County exercises any of County’s rights under this Lease, Lessee shall not be entitled to any
compensation, damages or abatement of Rent or Additional Rent from County for any resulting injury or inconvenience.

14.2 Lessee’s Waiver of Damage Claims. Lessee waives any claim of injury or inconvenience to Lessee’s business, interference with Lessee’s business, loss of occupancy or quiet enjoyment of the Premises, or any other loss caused by County’s entry onto the Premises. Where applicable, Lessee shall provide County with keys to unlock all of the doors in the Premises (excluding Lessee’s vaults, safes, and similar areas designated in writing by Lessee in advance). County shall have the right to use any means that County may deem proper to open entry doors to the Premises and passage doors within the Premises in the event of an emergency. County’s entry onto the Premises by any means shall not be considered to be a forcible or unlawful entry into the Premises or a detainer of the Premises or an eviction, actual or constructive, of Lessee from the Premises, or any part of the Premises, nor shall County’s entry onto the Premises entitle Lessee to damages or an abatement of Rent, Additional Rent or other charges that this Lease requires Lessee to pay.

ARTICLE 15
QUIET ENJOYMENT

Upon Lessee’s compliance with all requirements under this Lease, and subject to all rights of County under this Lease, Lessee shall peacefully and quietly have, hold and enjoy the Premises throughout the Term, without hindrance, ejection or molestation by County, or any person lawfully claiming through or under County.

ARTICLE 16

Notices delivered by a courier delivery service shall be deemed to have been given, delivered and received upon proof of service. All other Notices or other communications shall be deemed given, delivered and received upon actual receipt. At any time, County or Lessee may, by written Notice delivered to the other party pursuant to this section, designate a different address to which Notices shall be sent.

16.2 Default Notices. Notwithstanding anything to the contrary in this Lease, any Notice from County regarding a default by Lessee must be in writing but shall be deemed duly given or served upon Lessee by County attempting to deliver at the Premises during normal business hours a copy of the Notice to Lessee or if Lessee is not present at the Premises, Lessee’s employee pursuant to State of California Code of Civil Procedure Section 1162(b) and by County mailing a copy of the Notice to Lessee in the manner specified in Section 16.1 of this Lease.

ARTICLE 17
MANDATORY PROVISIONS

17.1 Affirmative Action Program for Vendors. During the Term of this Lease, Lessee shall comply with the Affirmative Action Program for Vendors pertaining to employment of disabled persons, as set forth in Article IIIK (commencing at Section 84) of the San Diego County Administrative Code, which is incorporated into this Lease by this reference. Lessee is informed that County’s Affirmative Action Program for Vendors provides that the requirements of the program shall not apply to any lessee, or subcontractor of a lessee, who has a regular, paid workforce of less than fifteen (15) employees. A copy of this Affirmative Action Program will be furnished to Lessee by County’s Lease Administrator upon Lessee’s request.

17.2 Compliance with Stormwater Laws. Lessee’s use of the Premises is subject to all federal, state and local laws, statutes, regulations, ordinances, policies and guidelines (“Stormwater Laws”) regarding the discharge of pollutants into the stormwater conveyance.
Lessee’s compliance with Stormwater Laws may include requirements for
Lessee to develop, install, implement and maintain pollution prevention measures, source control
measures and Best Management Practices (“BMPs”). BMPs can include operational practices,
water or pollutant management practices, physical site features, or devices to remove pollutants
from stormwater, to affect the flow of stormwater or to infiltrate stormwater to the ground.
BMPs applicable to Lessee’s use of the Premises may include a requirement that all materials,
wastes or equipment with the potential to pollute urban runoff be stored in a manner that either
prevents contact with rainfall and stormwater, or contains contaminated runoff for treatment and
disposal. Lessee is required to and shall use, operate, maintain, develop, redevelop and retrofit
the Premises, as necessary, in accordance with Stormwater Laws restricting the discharge of non-
stormwater at or from the Premises and Stormwater Laws requiring pollution prevention
measures, source control measures, or the installation or use of BMPs. Lessee shall develop,
install, implement and/or maintain at Lessee’s sole expense, any BMPs or similar pollution
control devices required by Stormwater Laws and any implementing regulations or guidance.
Lessee understands and acknowledges that the Stormwater Laws applicable to Lessee’s use of
the Premises may be changed from time to time by federal, state and/or local authorities, and that
additional requirements may become applicable based on changes in Lessee’s activities or
development or redevelopment by Lessee or County. Lessee shall conduct annual stormwater
training, perform regular stormwater self-inspections, maintain records of all stormwater training
and self-inspections and provide all necessary documentation to County upon request. Lessee
shall develop, install, implement, and maintain any additional BMPs and/or other pollution
control practices at the Premises at Lessee’s sole expense. To the extent there is a conflict
between any federal, state or local law, Lessee shall comply with the more restrictive provision.
If County receives any fine or fines from any regulatory agency as a result of Lessee’s failure to
comply with Stormwater Laws, Lessee shall reimburse County for the entire amount of the
fine(s).

17.3 Hazardous Materials.

17.3.1 Hazardous Materials Laws - Definition. As used in this Lease, the term
“Hazardous Materials Laws” means any and all federal, state or local laws, ordinances, rules,
decrees, orders, regulations, or court decisions (including “common law”) relating to hazardous
substances, hazardous materials, waste, hazardous waste, toxic substances, environmental
conditions on, under or about the Premises, soil and ground water conditions or other similar
substances or conditions in effect as of the Commencement Date or any new or revised
Hazardous Materials Laws enacted or adopted during the Term, including without limitation the
Resource Conservation and Recovery Act of 1976 (42 U.S.C., Section 6901 et seq.), the
Comprehensive Environmental Response, Compensation and Liability Act of 1980 (42 U.S.C.,
Section 9601 et seq.), the Hazardous Materials Transportation Act (49 U.S.C., Section 1801 et
seq.), the State of California Hazardous Waste Control Act and the Carpenter-Presley-Tanner
Hazardous Substance Account Act (State of California Health and Safety Code Section 25100,
et seq., and Section 25300, et seq.), the Safe Drinking Water and Toxic Enforcement Act (State
of California Health and Safety Code Section 25249.5, et seq), the Porter Cologne Water Quality
Control Act (State of California Water Code Section 13000 et seq.), and the California
Environmental Quality Act of 1970, and any amendments to, and regulations implementing, the foregoing.

17.3.2 Hazardous Materials - Definition. As used in this Lease the term “Hazardous Materials” means any chemical, compound, material, substance or other matter that:

   a. Is a flammable, explosive, asbestos, radioactive nuclear medicine agent or waste, vaccine or pharmaceutical and related wastes, bio-hazardous waste or infectious agent (including but not limited to infectious bodily fluids), wastes with recognizable human blood or any human tissue, sharps wastes, bacteria, virus, hazardous waste, toxic, overtly injurious or potentially injurious material, whether injurious or potentially injurious by itself or in combination with other materials; or

   b. Is controlled, referred to, designated in or governed by any Hazardous Materials Laws; or

   c. Gives rise to any reporting, notice or publication requirements under any Hazardous Materials Laws; or

   d. Is any other material or substance giving rise to any liability, responsibility or duty upon County or Lessee with respect to any third person under any Hazardous Materials Laws.

17.3.3 Lessee’s Hazardous Materials Obligations. During the Term, or for a longer period as may be specified in this Lease, Lessee shall comply with the following provisions unless otherwise specifically consented to by County in a written Notice, which consent may be withheld at County’s sole discretion:

   a. Lessee shall not cause or permit any Hazardous Materials to be brought, kept or used in or about the Premises by Lessee, Lessee’s agents, employees, sublessees, assigns, contractors, licensees or invitees, except as required by the Permitted Uses.

   b. Any handling, transportation, storage, treatment or usage by Lessee of Hazardous Materials that occurs on the Premises following the Commencement Date shall be in compliance with all applicable Hazardous Materials Laws.

   c. Any leak, spill, release, discharge, emission or disposal of Hazardous Materials which occur on the Premises following the Commencement Date shall be promptly and thoroughly cleaned and removed from the Premises by Lessee at Lessee’s sole expense, and any Hazardous Materials discharge shall be promptly reported in writing to County, and to any other appropriate governmental regulatory authorities.

   d. No friable asbestos shall be constructed, placed on, deposited, stored, disposed of, or located by Lessee in the Premises.
e. No underground improvements, including but not limited to treatment or storage tanks, or water, gas or oil wells shall be located by Lessee on the Premises.

f. Lessee shall conduct and complete all investigations, studies, sampling, and testing procedures and all remedial, removal, and other actions necessary to clean up and remove all Hazardous Materials on, from, or affecting the Premises in accordance with all applicable Hazardous Materials Laws and to the satisfaction of County.

g. Activities proposed by Lessee that involve disturbing asbestos materials on site shall only be conducted in accordance with all federal, state and local asbestos rules and regulations including, but not limited to, the United States Occupational Safety and Health Administration (“OSHA”), the United States Environmental Protection Agency (“EPA”), California Occupational Safety and Health Administration (“Cal/OSHA”), and the Air Pollution Control District (“APCD”), with prior written consent of County, as follows:

1. Prior to conducting asbestos related activities, Lessee shall provide written Notice to County at least thirty (30) days in advance of the proposed work. The written Notice shall include the location of work, type of asbestos containing material (“ACM”) to be removed and a work plan indicating the work practices and methods of control to be used during the abatement activity to control asbestos fiber release (“Work Plan”). County’s Occupational Health Program shall review the Work Plan and may modify the Work Plan as necessary.

2. Any asbestos related activities shall be performed by a contractor registered with Cal/OSHA and certified by the California Contractors State Licensing Board to perform asbestos work. Any asbestos related activities shall be overseen by a California Certified Asbestos Consultant (“CAC”), or a Certified Site Surveillance Technician under the direction of a CAC.

3. Replacement products used in the Improvements or other construction activities shall not contain asbestos. Any replacement products used by Lessee shall be verified as non-asbestos products by using Material Safety Data Sheets and/or having the architect or project engineer verify that ACMs were not used.

h. Lessee shall provide County with copies of all notices, reports, correspondence, and submissions made by Lessee to the OSHA, Cal/OSHA, the EPA and the APCD, and any other federal, state or local authority that requires submission of any information concerning environmental matters or hazardous wastes or substances pursuant to applicable Hazardous Materials Laws.

i. Lessee shall promptly notify County of any liens threatened or attached against the Premises pursuant to any Hazardous Materials Laws. If a lien is filed against the Premises, then within twenty (20) days following the filing or before any governmental authority commences proceedings to sell the Premises pursuant to the lien, whichever occurs first, Lessee shall either: (i) pay the Claim and remove the lien from the
Premises; or (ii) furnish either (1) a bond or cash deposit reasonably satisfactory to County in an amount not less than the Claim from which the lien arises, or (2) other security satisfactory to County in an amount not less than that which is sufficient to discharge the Claim from which the lien arises. Upon the expiration or earlier termination of this Lease, Lessee shall surrender the Premises to County free of any and all Hazardous Materials and in compliance with all Hazardous Materials Laws affecting the Premises.

17.3.4 Indemnification by Lessee. To the fullest extent permitted by law and in addition to and without limiting Lessee’s indemnification obligations in Section 12.1, Lessee (and, if applicable, each of Lessee’s general partners) and Lessee’s successors, assigns, and guarantors, if any, jointly and severally shall protect, indemnify, defend (with counsel selected by County), reimburse and hold County and County Parties harmless from any Claims that arise during or after the Term from or in connection with the presence or suspected presence of Hazardous Materials, including the soil, ground water or soil vapor on or under the Premises. Without limiting the generality of the foregoing, the indemnification provided by this section shall cover all expenses incurred in connection with investigation of site conditions or any cleanup, remedial, removal or restoration work required by any Hazardous Materials Laws because of the presence of Hazardous Materials in the soil, ground water or soil vapor on the Premises, and the release or discharge of Hazardous Materials by Lessee during the course of Lessee’s alteration or improvement of the Premises.

17.3.5 Remedies Cumulative; Survival. The provisions of this Section 17.3 shall be in addition to any and all common law obligations and liabilities Lessee may have to County, and any remedies and the environmental indemnities provided for in this Section 17.3 shall survive the expiration or earlier termination of this Lease and/or any transfer of all or any portion of the Premises, or of any interest in this Lease, and shall be governed by the laws of the State of California.

17.3.6 Inspection. County and County’s agents, contractors, consultants, servants, and employees including, without limitation, legal counsel and environmental consultants and engineers retained by County, may (but without the obligation or duty to do so), from time to time during reasonable hours, or at any time in the event of an emergency, inspect the Premises to investigate and determine whether Lessee is complying with Lessee’s obligations under this Section 17.3, including performance of environmental inspections and samplings. If County determines that Lessee is not in compliance with Lessee’s obligations, County shall have the right, but not the obligation, in addition to County’s other remedies available at law and in equity, to enter the Premises immediately or at any time deemed appropriate by County and take any action that County in County’s sole judgment deems appropriate to remediate any actual or threatened contamination. County will use reasonable efforts to minimize interference with Lessee’s use of Premises but shall not be liable for any interference caused by County’s entry, inspection, investigation, sampling, or remediation efforts. Upon completion of any inspection, County will use reasonable efforts to repair any area of the Premises damaged by County’s sampling and testing conducted as part of the investigation, provided that the restoration work and materials will be at Lessee’s sole expense if County conducted the sampling and testing in response to Lessee’s breach or default under this Lease.
17.4 **Energy Conservation by Lessee.** Lessee shall be responsible for using energy conservation measures in the operation of all activities on the Premises and shall comply with all Laws relating to the conservation of energy in effect as of the Commencement Date or any new or revised Laws relating to the conservation of energy enacted or adopted during the Term.

17.5 **Energy Conservation.** County is required to comply with all Laws requiring the installation of energy-efficient systems, fixtures, and equipment at County buildings and facilities. In accordance with all Laws and pursuant to the provisions of this Lease, Lessee shall maintain or repair, or cause to maintain or repair, the Premises, and related systems in accordance with current energy conservation standards.

17.6 **Water Conservation by Lessee.** As applicable to the Permitted Uses, Lessee shall be responsible for using water conservation measures in the operation of all activities on the Premises. Lessee shall cooperate with County, and any local water district or public agency having jurisdiction over the Premises, in all practical and reasonable forms of water conservation including drought-resistant landscaping, automatic flow-control irrigation systems, and low-flow plumbing fixtures and equipment as delineated in County Board of Supervisors Policy A-106 “Water Supply, Conservation, and Reclamation.” Lessee shall comply with all Laws relating to the conservation of water and any mandated emergency water conservation orders from County and any local water district or public agency having jurisdiction over the Premises in effect as of the Commencement Date or any Laws relating to the conservation of water and any mandated emergency water conservation orders enacted or adopted during the Term.

17.7 **Recycling and Waste Reduction.** Lessee shall comply with County recycling and waste reduction policies, procedures and programs as they apply to Lessee’s use of the Premises. Lessee shall conduct Lessee’s operations on the Premises in accordance with all applicable Laws relating to recycling and waste reduction in effect as of the Commencement Date or any Laws relating to recycling and waste reduction enacted or adopted during the Term.

17.8 **Manure Management Mitigation Measures by Lessee.** Lessee shall comply with County manure management policies, procedures, and programs as they apply to Lessee’s use of the Premises. Lessee shall conduct Lessee’s operations on the Premises in accordance with all applicable Laws pertaining to manure management. Manure management “Best Management Practices” (“MMBMPs”) will be documented in a Manure Management Plan which will be furnished by Lessee. MMBMP’s applicable to Lessee’s use of the Premises include requirements that Lessee:

a. Clean the Premises, including the animal stalls, warmup and training areas, and remove the manure and soiled bedding at least one (1) time per day.

b. Incorporate the manure and soiled bedding into composting: (1) no later than the end of each day, or (2) temporarily stockpile the manure and soiled bedding prior to incorporating the manure and soiled bedding into the composting system.

c. Cover the stockpiled material in containment vessels with a lid or tarp.
Containment vessels shall be located at the furthest feasible distance from nearby residents and/or sensitive receptors.

d. Regularly remove manure from the equestrian use areas and composted on site following the CalRecycle regulation for pathogen reduction (14 California Code of Regulations [CCR] § 17868.3). Raw manure shall not be spread on the Premises. Onsite composting will be situated to avoid runoff to adjacent property and stormwater infrastructure.

17.9 Working Families Ordinance. Lessee shall comply, and shall ensure that its sublessees at all levels comply, with the Working Families Ordinance set forth in Sections 73.10, et seq. of the San Diego County Administrative Code, which pertains to the payment of wages, utilization of a skilled and trained workforce, working conditions, and the provision of paid sick leave. Lessee shall post the County’s Working Families Ordinance notice (available upon request and at https://www.sandiegocounty.gov/OLSE) in a conspicuous and accessible place in each location at which employees are employed, as required by the Working Families Ordinance. Lessee shall maintain records sufficient to document Lessee’s compliance with this Section 17.9, including, if applicable, evidence of qualification for an exemption from the Working Families Ordinance, and shall provide such records to County upon request. Lessee hereby grants County permission to conduct an investigation regarding Lessee’s compliance with the Working Families Ordinance at any time, which investigation may include, but is not limited to, audit of documentation, inspection of the Premises, and interviews of employees and/or workers.

ARTICLE 18
WAIVER OF RELOCATION ASSISTANCE BENEFITS

18.1 Relocation Assistance Benefits. Lessee is informed and acknowledges the following:

a. By entering into this Lease and becoming a tenant of County, Lessee may become entitled to receipt of “relocation assistance benefits” ("Relocation Benefits") pursuant to the Federal Uniform Relocation Assistance Act (42 U.S.C. Section 4601 et seq.) and/or the California Relocation Assistance Law (State of California Government Code Section 7270 et seq.) (collectively, the “Relocation Statutes”) should County at some time make use of the Premises in such a way as to “displace” Lessee from the Premises. Pursuant to the Relocation Statutes, County may then become obligated to make payments to Lessee even where the displacement of Lessee does not otherwise constitute a breach or default by County of County’s obligations pursuant to this Lease.

b. Under the Relocation Statutes in effect as of the Commencement Date, Relocation Benefits may include payment to a “displaced person” of (i) the actual and reasonable expense of moving himself or herself and a family, business, or farm operation, including Personal Property, (ii) the actual direct loss of reestablishing a business or farm operation, but not to exceed ten thousand dollars ($10,000), or (iii) payment in lieu of moving expenses of not less than one thousand dollars ($1,000) or more than twenty thousand dollars ($20,000).
18.2 Lessee’s Waiver and Release of Relocation Benefits. In consideration of County entering into this Lease, Lessee waives any and all rights Lessee may now have, or may subsequently obtain, to Relocation Benefits arising out of County’s assertion or exercise of County’s contractual rights to terminate this Lease pursuant to its terms, whether or not the rights are contested by Lessee or any other entity, and releases County from any liability for payment of Relocation Benefits. Lessee does not waive Lessee’s rights to Relocation Benefits to the extent that Lessee’s entitlement to Relocation Benefits may arise out of any condemnation or pre-condemnation actions taken by County or any other public agency with respect to the Premises. Lessee shall in the future execute any further documentation of the release and waiver provided by this article as reasonably required by County.

ARTICLE 19
ABANDONMENT

Lessee shall not vacate, abandon or permit the Premises to remain unoccupied for a period of longer than five (5) consecutive days during the Term of this Lease. If Lessee abandons, vacates or surrenders the Premises, or is dispossessed by process of law, or otherwise, then any Improvements (other than Improvements that County elects to keep pursuant to Section 11.1) or Personal Property belonging to Lessee that are left on the Premises shall, at the option of County, be deemed abandoned. County may dispose of any Improvements or Personal Property deemed abandoned in any manner provided by Laws and is relieved of all liability for disposing any Improvements or Personal Property. Lessee waives any right to notice Lessee may have under State of California Civil Code Section 1951.35, the terms of Section 2.4 being deemed such notice to Lessee as required by said Section 1951.35. These provisions shall not apply if the Premises are closed and business temporarily discontinued due to a Force Majeure event as defined in Section 22.11 of this Lease.

ARTICLE 20
DAMAGE OR DESTRUCTION

20.1 Casualty. If the Premises is damaged or destroyed by fire, flood, earthquake, tornado, or other casualty (“Casualty”), Lessee shall give immediate written Notice of the Casualty to County (“Casualty Notice”). Within thirty (30) days after County’s receipt of the Casualty Notice, County shall notify Lessee whether in County’s estimation material restoration of the Premises can reasonably be made within one hundred eighty (180) days from the date of the Casualty Notice and receipt of required permits (“Restoration Permits”) for restoration of the Premises (“Restoration”). County’s determination shall be binding on Lessee.

20.2 Restoration Within 180 Days. If the Premises is damaged by a Casualty to an extent that the Restoration can in County’s estimation be reasonably completed within one hundred eighty (180) days after the date of the Casualty Notice and receipt of Restoration Permits, this Lease shall not be terminated. County shall be responsible for completing the
Restoration only to the extent County receives insurance proceeds from County’s insurance to cover the cost of fully completing the Restoration. Notwithstanding the foregoing, County shall not be required to rebuild, repair or replace any part of any Improvements or Personal Property placed on the Premises by Lessee. Lessee shall, at Lessee’s sole expense, rebuild, repair, and replace the Improvements and Personal Property damaged or destroyed by Casualty, provided the Casualty is covered by the insurance Lessee is required to carry under this Lease. If the Premises are not tenantable in whole or in part following the Casualty, the Rent payable under this Lease during the period in which the premises is not tenantable shall be abated proportionately, but only to the extent of rental abatement insurance proceeds received by County during the time and to the extent the Premises are not tenantable.

20.3 Restoration Greater than 180 Days. If the Premises is damaged by a Casualty to an extent that the Restoration cannot in County’s estimation be reasonably completed within one hundred eighty (180) days after the date of the Casualty Notice and receipt of Restoration Permits, then County may: (1) terminate this Lease effective as of the date of the Casualty, in which event the Rent shall be abated during the unexpired portion of this Lease; or (2) elect to proceed with the Restoration of the Premises diligently and in the manner determined by County. County shall notify Lessee of County’s election within thirty (30) days after County’s receipt of the Casualty Notice. Notwithstanding anything to the contrary in this section, County shall not be obligated to rebuild, repair or replace any part of any Improvements or Personal Property placed on the Premises by Lessee. Lessee shall be responsible for rebuilding, repairing, and replacing the Improvements and Personal Property damaged by Casualty as provided in Section 20.3. If the Premises is not tenantable in whole or in part following the Casualty, the Rent payable by Lessee under this Lease during the period in which the Premises is not tenantable shall be abated proportionately, but only to the extent of rental abatement insurance proceeds received by County during the time and to the extent the Premises are not tenantable.

20.4 Casualty Caused by Lessee. Notwithstanding anything to the contrary in this Lease, if the Premises are damaged by a Casualty resulting from the fault, negligence, or breach of this Lease by Lessee or Lessee Parties, the Rent, Additional Rent or any other sums owed by Lessee under this Lease shall not be reduced or abated during the Restoration and Lessee shall be liable to County for all expenses related to the Restoration.

20.5 Insurance Proceeds. Notwithstanding anything to the contrary in this Lease, if the Premises are damaged or destroyed by a Casualty and the Restoration is not fully covered by the insurance proceeds received by County, then County shall have the right to terminate this Lease by delivering a written termination Notice to Lessee within thirty (30) days after County’s receipt of a Notice informing County that the Casualty is not fully covered by insurance.

20.6 Casualty Related Waiver. The provisions of this ARTICLE 20 shall be Lessee’s sole and exclusive remedy if the Premises is damaged by a Casualty. As a material inducement to County entering into this Lease, Lessee hereby waives any rights it may have under Sections 1932, 1933(4), 1941 or 1942 of the Civil Code of the State of California with respect to any destruction of the Premises, County’s obligation for the tenantability of the Premises and Lessee’s right to make repairs and deduct the expenses of the repairs, or under any similar law,
statute or ordinance in effect on the Commencement Date or enacted during the Term of this Lease.

20.7 Lessee’s Personal Property. County shall not be obligated to repair any injury or damage to, or make any repairs to or replacements of Lessee’s Personal Property resulting from a Casualty.

ARTICLE 21
EMINENT DOMAIN

21.1 Condemnation. If more than twenty-five percent (25.0%) of the total area of the Premises is condemned, taken or appropriated by any public or quasi-public authority under the power of eminent domain, police power or otherwise (or in the event of a sale in lieu thereof), either County or Lessee may terminate this Lease as of the date that the condemning authority takes possession by delivery of written Notice of the election within twenty (20) days after the party has been notified of the taking or, in the absence of a Notice, within twenty (20) days after the condemning authority has taken possession.

21.2 Continuation of Lease After Condemnation. If this Lease is not terminated by County or Lessee, or if less than twenty-five percent (25.0%) of the total area of the Premises is taken, the Lease shall remain in full force and effect as to the portion of the Premises remaining; provided, however, that the Rent shall be reduced in proportion to the reduction of the area of the Premises. County, in County’s sole discretion, shall determine whether the remaining portion of the Premises needs to be restored to the condition the Premises was in prior to the partial taking. If County elects not to restore the Premises and Lessee is unable to use the Premises for the Permitted Use, Lessee shall have the right to terminate the Lease. Notwithstanding anything to the contrary in this section, County shall not be obligated to rebuild, repair or replace any part of any Improvements or Personal Property placed on the Premises by Lessee.

21.3 Allocation of Condemnation Award. Any and all payment, income, award, or any interest whatsoever which may be paid or made in connection with the taking of any part of the Premises or proceeds from the sale made under the threat of the exercise of the power of eminent domain, shall be the property of County, whether made as compensation for diminution of value of the leasehold estate, for the taking of the fee, or as severance damage; provided, however, that Lessee shall be entitled to any award for loss of or damage to Lessee’s Improvements, Personal Property and business good will.

21.4 Waiver. Lessee waives the provisions of State of California Civil Code Section 1265.130 allowing Lessee to petition the superior court to terminate this Lease as a result of a partial taking.
ARTICLE 22
GENERAL PROVISIONS

22.1 Authority and Legal Status. Lessee represents and warrants that it has full power and authority to execute and fully perform Lessee’s obligations under this Lease pursuant to Lessee’s governing instruments, without the need for any further action, and that the person(s) executing this Lease on behalf of Lessee are the duly designated agents of Lessee and are authorized act on behalf of Lessee.

22.2 Brokers. Lessee warrants that Lessee has had no dealings with any real estate broker or agent in connection with the negotiation and/or execution of this Lease. To the fullest extent permitted by law and in addition to and without limiting Lessee’s indemnification obligations in Section 12.1, if any broker makes a Claim for monies owed, Lessee shall indemnify, defend and hold County harmless from the Claim.

22.3 Captions. The captions, headings and table of contents appearing in this Lease are inserted for convenience only and in no way define, limit, construe, or describe the scope or intent of the provisions of this Lease.

22.4 Lease Administration. This Lease shall be administered on behalf of County by the Director, Department of General Services or a designee (the “County’s Lease Administrator”), and on behalf of Lessee by _________________________________ or by another person designated in a written Notice by Lessee (the “Lessee’s Lease Administrator”).

22.5 County Consent. Except where stated in this Lease to the contrary, the phrases “County’s consent” and “County’s written consent” or similar phrases shall mean consent from the County’s Lease Administrator.

22.6 Lessee’s Lease Administration. Lessee confirms that Lessee’s Lease Administrator has been given full operational responsibility for compliance with the terms of this Lease. Lessee shall provide County with a written schedule of Lessee’s normal hours of business operation on the Premises, and Lessee’s Lease Administrator or a representative designated by Lessee shall be (i) available to County on a twenty-four (24) hour a day, seven (7) days a week, basis, and (ii) present on the Premises during Lessee’s normal business hours, to resolve problems or answer questions pertaining to this Lease and Lessee’s operations on the Premises.

22.7 Business Days. The term “business days” as used in this Lease means any calendar day other than a Saturday, Sunday, or official County holiday.

22.8 Cumulative Remedies. If a default under this Lease occurs, each party’s remedies shall be limited to those remedies set forth in this Lease. The remedies under this Lease are cumulative and not exclusive of any other remedies under this Lease to which the non-defaulting party may be entitled.
22.9 Entire Agreement. This Lease, together with all addenda, exhibits and riders attached to this Lease, constitutes the entire agreement between County and Lessee with respect to the subject matter of this Lease, and all prior or contemporaneous agreements, understandings and representations, oral or written, are superseded.

22.10 Estoppel Certificate. Lessee shall at any time during the term of this Lease, within five (5) business days of receipt of a written Notice from County, execute and deliver to County a statement in writing certifying that this Lease is unmodified and in full force and effect or, if modified, stating the nature of the modification. Lessee’s statement shall include other details requested by County, such as the date on which the Rent and other charges are paid, the current ownership and name of Lessee, Lessee’s knowledge concerning any outstanding defaults with respect to County’s obligations under this Lease and the nature of any defaults. Lessee’s statement may be relied upon conclusively by any prospective purchaser or encumbrancer of the Premises. Lessee’s failure to deliver the statement within five (5) business days of receipt of a written Notice from County shall be conclusively deemed to mean that this Lease is in full force and effect, except to the extent any modification has been represented by County, that there are no uncured defaults in County’s performance under this Lease, and that not more than one (1) installment of Rent has been paid in advance.

22.11 Force Majeure. If County or Lessee is prevented or delayed from performing any act or discharging any obligation under this Lease, except for any payment obligation of Lessee, because of any and all causes beyond either party’s reasonable control, including unusual delays in deliveries, abnormal adverse weather conditions, unavoidable casualties, strikes, labor disputes, inability to obtain labor, materials or equipment, acts of God, any hostile government actions, civil commotion and fire or other casualty, legal actions attacking the validity of this Lease or Lessee’s occupancy of the Premises, or any other casualties beyond the reasonable control of either party except casualties resulting from Lessee’s negligent operation or maintenance of the Premises (“Force Majeure”), performance of the act shall be excused for the period of the delay, and the period for performance of the act shall be extended for a period equivalent to the period of the delay. Force Majeure shall not include any bankruptcy, insolvency, or other financial circumstances of Lessee.

22.12 Governing Law. This Lease shall be governed, construed and enforced in accordance with the laws of the State of California.

22.13 Interpretation. The language of this Lease shall be construed simply according to its plain meaning and shall not be construed for or against either party.

22.14 Joint and Several Liability. If more than one person or entity executes this Lease as Lessee, each of them is jointly and severally liable for all of the obligations of Lessee under this Lease.

22.15 Liquidated Damages. Any payments by Lessee to County under this Lease described as liquidated damages represent the parties’ reasonable estimate of County’s actual damages under the described circumstances, the actual damages being uncertain and difficult to
ascertain in light of the impossibility of foreseeing the state of the leasing market at the time of the various deadlines set forth in this Lease. County may, at County’s election, take any of the liquidated damages assessed in any portion of this Lease as direct monetary payments from Lessee and/or as an increase of Rent due from Lessee under this Lease.

22.16 Modification. The provisions of this Lease may not be modified, except by a written instrument signed by County and Lessee.

22.17 Partial Invalidity. If any provision of this Lease is determined by a court of competent jurisdiction to be invalid or unenforceable, the remainder of this Lease shall not be affected by the determination. Each provision of this Lease shall be valid and enforceable to the fullest extent permitted by law.

22.18 Payments. Except as otherwise be expressly stated in this Lease, each payment required to be made by Lessee shall be in addition to, and not a substitute for, other payments to be made by Lessee under this Lease.

22.19 Successors and Assigns. This Lease shall be binding on and inure to the benefit of County and Lessee and their successors and assigns, except as may otherwise be provided in this Lease.

22.20 Time of Essence. Time is of the essence for each and every provision of this Lease.

22.21 Waiver. No provision of this Lease or the breach of any provision of this Lease shall be deemed waived, except by written consent of the party against whom the waiver is claimed. The waiver by County of any breach of any term, covenant or condition contained in this Lease shall not be deemed to be a waiver of the term, covenant or condition of any subsequent breach of the term, covenant or condition, or of any other term, covenant or condition contained in this Lease. County’s subsequent acceptance of partial Rent or performance by Lessee shall not be deemed to be an accord and satisfaction or a waiver of any preceding breach by Lessee of any term, covenant or condition of this Lease or of any right of County to a forfeiture of the Lease by reason of the breach, regardless of County’s knowledge of the preceding breach at the time of County’s acceptance. The failure on the part of County to require exact or full and complete compliance with any term, covenant, or condition of this Lease shall not modify or waive the term, covenant or condition, or estop County from any related enforcement. No custom or practice that may arise between County and Lessee in the course of administering this Lease shall be construed to waive, estop or in any way lessen County’s right to insist upon Lessee’s full performance of, or compliance with, any term, covenant or condition of this Lease by Lessee, or to inhibit or prevent County’s exercise of County’s rights with respect to any default, dereliction or breach of this Lease by Lessee.

22.22 Singular and Plural. Words used in this Lease in the singular, where the context so permits, shall be deemed to include the plural. Words used in this Lease in the plural, where the context so permits, shall be deemed to include the singular.
22.23 **Counterparts, Electronic Transmittal, Electronic Signatures.** This Lease may be executed in counterparts, and County and Lessee agree that each counterpart shall constitute one agreement binding on County and Lessee, notwithstanding that County and Lessee are not signatory to an original or same counterpart. Executed counterparts of this Lease may be transmitted electronically, and County and Lessee agree that each counterpart of a fully executed Lease transmitted electronically via pdf attachment shall be binding as if the signatures transmitted electronically were original signatures. This Lease may be executed using electronic signatures, and County and Lessee agree that each electronic signature shall have the same legal effect and enforceability as a manually executed signature to the extent provided for in the Uniform Electronic Transactions Act codified in State of California Civil Code Sections 1633.1 - 1633.17.

22.24 **COVID-19.** In the event of any conflict between any provision contained elsewhere in the Lease and any provision contained in this Section 22.24, this Section 22.24 shall control. Lessee is solely responsible for adopting, promulgating, complying, and enforcing an appropriate Premises-specific COVID-19 safety plan during the Term of the Lease. Lessee and Lessee Parties shall comply with all applicable COVID-19-related federal, state, and local statutes, regulations, ordinances, orders, directives and guidance applicable to the Premises, the Lessee, and Lessee Parties that may be in effect during the Term of the Lease including vaccination requirements. Lessee shall immediately notify the County upon learning that any person who was present on the Premises tested positive for COVID-19.

**ARTICLE 23**

**SPECIAL PROVISIONS**

23.1 **Director.** The term “Director” as used in this Lease means the County’s Director, Department of Parks and Recreation. Any notice or approvals required by this Lease shall be sent to the Director as described in Section 16.1 of this Lease.

23.2 **Hours of Operation.** The hours of operation of the Premises shall be from 7:01 a.m. to 9:59 p.m.

23.3 **On Site Manager.** Lessee shall designate an on-site manager for the Premises and shall provide the name, address, and telephone number of the on-site manager to the Director.

23.4 **Annual Activities/Events Schedule.** No later than December 15 of each calendar year during the Term, Lessee shall submit a schedule (“Schedule”) of all anticipated equestrian and non-equestrian related activities and events to the Director and shall post the schedule at the Premises. The Schedule shall include proposed dates of use, times of use and the type of use by Lessee and provide for County use of the Premises as described in Section 5.7 County Use of Premises for up to five (5) days during each calendar year, and for emergency purposes when the need arises and for as long as it is needed for emergency purposes.
23.5 **User Fees.** Lessee may charge fees for public use of Premises. These fees shall be reviewed and approved in writing by the Director, whose approval will not be unreasonably withheld. The “cost of maintenance and operation” for programs and activities offered at the Premises shall include, but not be limited to labor, advertising, taxes, utilities, insurance and supplies and other overhead expenses. Any fee charged for the recreational use of the Premises shall be in a reasonable amount and shall not have the effect of unduly limiting use of the Premises by the public.

23.6 **Special Events.** Lessee may conduct special activities and events (“Special Events”) on the Premises, subject to prior written consent of the Director, which consent may be withheld or conditioned at County’s sole discretion. Lessee shall submit requests for consent for individual Special Events or a calendar of Special Events by submitting a written Notice to the Director a minimum of fifteen (15) days prior to a proposed Special Event. Any revenue received by Lessee resulting from Special Events shall be used to offset, and may not exceed, the Lessee’s operating, repair, maintenance, restoration or replacement expenses from the operations conducted on the Premises. At the end of each Lease Year during the Term, Lessee shall provide the Director with a written table summarizing Special Events conducted during the preceding Lease Year and the amount of any revenue received by Lessee. Pursuant to EXHIBIT “B” INSURANCE REQUIREMENTS, Lessee shall provide evidence of insurance coverage to the satisfaction of the County for any Special Event held on the Premises.

23.7 **Security for Special Events.** Lessee shall be responsible for selecting, hiring, and paying for appropriate personnel or services to provide special security protection for Special Events where there are special security protection requirements.

23.8 **Activities/Events Not Offered by Lessee.** Subject to the provisions of Article 13 of this Lease, activities conducted on the Premises shall not be restricted to those of the Lessee. Subject to the provisions in Section 23.5 User Fees of this Lease, Lessee may charge fees to other parties for the use of the Premises. Lessee shall obtain the written consent from the Director for other parties’ use of the Premises. Any schedule conflicts for the use of the Premises resulting from other parties’ events or activities shall be mutually resolved by the Director and Lessee.
