Development Services

WRITTEN COMMENT FORM

Your projects in NO WAY benefit the environment or
residents of the area. They cause fires, health problems,
eye sores, they kill wildlife, they stress the
already suffering roads and water table.
There was a pond that was full since 1960's on my
property, once you began your ~~projects~~ it disappeared,
along with the deer, badgers, and mountain lions that
frequented it. **KEEP YOUR "PURELY FOR PROFIT"
PROJECTS OFF OUR PRETTY LAND!!**
