Hello Dave,

I know your busy with other primary duties, but we were hoping we could get the comments for the GHG analysis forwarded to the County by at least tomorrow. Is that something you can make happen? We are really chomping at the bit to get this portion of the process wrapped up. Please let me know.

Respectfully,

Patrick

I'm almost done with my review, but there's a few items that ARB staff needs to discuss internally before I can send my comments on to the county.

Dave

Hi Dave,

Just checking to see how it coming? I have all my consultants chomping at the bit because of our tight schedule.

Thanks,
