Asha,

Our Scoping Letter from September 27, 2012 is fairly vague with regard to EIR submittal requirements. Therefore, please make your submittal per the following direction:

Draft PEIR – 6 hard copies

Technical studies – 2 hard copies each

Maps/Plans – 6 hard copies each

On CD-ROM – One Adobe Acrobat Reader file for the Draft PEIR, each technical study, and each Map/Plan.

Please also provide a Word file for each chapter of the PEIR and each technical study except hydrology/drainage and SWMP.

Finally, please submit one MOU for EIR Preparation by Dudek.

Please let me know if you have any questions.

Thanks,

Robert Hingtgen, Planner III

Will do, thanks Rob. On another note, can you send me your submittal requirements for the EIR and appendices (tech studies)?
