Hi Maggie and Ashley,
Please find attached the revised draft report for the TDS project. We have tried to address as many of your comments as possible and accepted most of your edits. There are still a few items to clarify and discuss, but I think that we are close. Thank you very much for your time and efforts in making this a more defensible report and project. Please let me or Megan know if you have any questions or concerns.

Best,

BROCK A. ORTEGA
