WRITTEN COMMENT FORM

We ARE extremely concerned & unhappy ABOUT the possibilities
of the Solar projects proposed for our Rural Community of Boulevard.
We live on Tierra Del Sol Rd, near the 2657 TRACER site. This will Directly
affect our ground water. We Have livestock & need to have a Continued
Reliable Source of water from our well. The proposed site is in a very
Vulnerable Wildlife Area as well. Often we see Birds of Prey & other
endangered species Here. The Risk of Fire is severe with NO
Additional Fire Fighting Resources. This & the other projects are NOT
in the Best interest of our Community.
