Subject: Soitec TDS water availability

Hi Robert,

The Rugged Solar water availability letter from JCSD is misidentified as the Tierra Del Sol Solar JCSD letter--see linked document posted on the Soitec Solar DPEIR website.

<http://www.sdcounty.ca.gov/pds/ceqa/Soitec-Documents/ApplicationForms/TierraDelSol/2012-12-03-Zoning-Project-Facility-Availability-Form-Water.pdf>

Please provide a copy of the Tierra Del Sol water availability form from JCSD.

Thank you
