LanWest	Portion 612-091-18	Live Oak Springs	17S	7E	21, 28

Tierra del Sol is located south of Tierra del Sol Road.

Rugged Solar is located on Rough Acres Ranch.

LanEast is located south of Interstate 8, and east and west of McCain Valley Road.

LanWest is located south of Interstate 8, and west of McCain Valley Road.

All four project sites are located in the community planning area of Boulevard and are subject to the California Environmental Quality Act (CEQA), the County of San Diego Resource Protection Ordinance (RPO), and Section 65352.3 of the Government Code (Senate Bill 18). The Native American Heritage Commission (NAHC) has been contacted and they have requested that the County conduct SB-18 consultation with you directly regarding cultural resources and to give you the opportunity to request formal consultation. The project is currently in the process of development review.

Please note that any information you have regarding cultural resources will be kept strictly confidential and will not be divulged to the public. In addition, your comments regarding decisions that may affect cultural resources are important to the County of San Diego. Please forward any comments regarding this project to Donna Beddow by July 14, 2014, 2014.

If you would like to request a formal consultation please contact Donna Beddow at (858) 694-3656 or by email at donna.beddow@sdcounty.ca.gov. Any request for a formal consultation must be received within the 90 day period as indicated by the due date above.

Sincerely,

Donna Beddow, RPA
