Representatives from the community will present a preliminary design to solicit comments and feedback from the SDPG before submitting to the County.

d. **APPLICANT: County of San Diego - PROJECT/CASE NUMBER(S): General Plan Amendment, 3800 12-003 (GPA):** PROJECT DESCRIPTION: The San Diego County Department of Planning and Land Use proposes a General Plan Amendment to the San Dieguito Community Plan, by making changes to the descriptive text of the Rancho Cielo Specific Plan. These textual changes are intended to correct a long standing inconsistency within the Community Plan and reflect the most recent Rancho Cielo Specific Plan Amendment (SPA00-003) adopted by the Board of Supervisors on December 3, 2003. This General Plan Amendment will preserve the Rancho Cielo Specific Plan overall density of 0.27 dwelling units per acre. The revision to the Community Plan will be made available upon request.

For additional information regarding this proposal, contact Bob Citrano at (858) 694-3229 or Sami Real at (858) 694-3722.
