GILLESPIE FIELD – PROPOSED RECLASSIFICATION OF RWY 17/35

Dear Master Lessee:

County of San Diego Airports is working with the Federal Aviation Administration (FAA) on a proposal to reclassify the Gillespie Airport Reference Code for Runway 17/35, from a BII to a BI Small. The purpose of the proposed reclassification is to improve compliance with FAA required runway and taxiway safety setbacks.

We would greatly appreciate your feedback on the proposed reclassification. From October 12 through November 30, 2020, there will be a presentation posted on our website detailing the proposed reclassification and instructions for submitting comments. You can find the presentation and instructions by clicking on the "Gillespie Field 17/35 Runway Safety Improvement Project" link of the Airports' website at: <https://www.sandiegocounty.gov/dpw/airports.html>

Thank you in advance for participating – we look forward to your comments.

Sincerely,

Cathe Johnson
