VEHICLE MAKE(S)		VEHICLE MODEL(S)		VEHICLE YEAR(S)
VEHICLE COLOR(S)		STATE(S)	VEHICLE LICENSE PLATE #(S)	

Airport Operation Area (AOA) Security Procedures

1. I will stop and wait for the access gate to fully close prior to proceeding.
2. I will follow and implement all escort procedures.
3. I will not allow anyone who is NOT under my escort to follow me or "piggy-back" through any access gate.
4. I will immediately contact (619) 956-4826 if an individual follows me through a gate and/or I witness any security violation.
5. I will assume responsibility for the activities of each vehicle passenger on the airside of the airport closely monitor the activity of anyone I escort onto the AOA.
6. I will abide by applicable provisions of the California Motor Vehicle Code, the San Diego County Code of Regulatory Ordinances, the Airport Rules and Regulations (SDCC §85.451-85.456), and the Airport Policies and Procedures. (SDCC § 85.451)
7. I will have a valid California Driver license in my personal possession.

I have read the above security procedures and I understand that failure to comply can result in suspension/revocation of my Driving Privileges.
_____(initial)

Each permitted driver operating on the airport shall:

1. Observe a safe speed limit not to exceed 20 mph on the VSR and 10 mph on ramps and taxilanes, unless otherwise posted. Weather and visibility to be taken into consideration when determining a safe speed.
2. Observe all applicable rules and practices as disseminated by Airport Management.
3. Adhere to all signage, markings, lights, barricades, and flaggers.
4. Not park a vehicle in an aircraft parking area, safety area, or grass area, or in a manner that obstructs or interferes with operations in the aircraft movement area or apron area.
5. Not park, or leave unattended, vehicles or other equipment that interfere with the use of a facility by others or prevent movement or passage of aircraft, emergency vehicles, or other motor vehicles or equipment.
6. Yield to all aircraft and emergency vehicles.
7. Be two-way radio equipped for ATC communications and have obtained clearance from ATC to enter the movement area; or be escorted.
8. Mark/flag/light, stage, and operate vehicles in conformance with all applicable FAA advisories.
9. Limit vehicle/equipment activity to preserve airport operations safety. Whenever possible, remain clear of movement areas utilizing the vehicle service road or city streets.
10. All vehicles operated in the AOA must have vehicle liability insurance.

I hold a current and valid driver's license, if my license becomes invalid, I will notify the County of San Diego Airports immediately. I have liability insurance and will always maintain vehicle liability insurance while driving on the airport. _____ (initial)

I have read the above Vehicle Operating Rules and I understand that failure to comply can result in verbal or written warning and, possibly, suspension or withdrawal of airport driving/entry privileges. _____ (initial)

The information I have provided is true, complete, and correct to the best of my knowledge. _____ (initial)
