Gillespie Field Driver Training Process

Step 1
- Driver fills out application.
- Driver submits application to FBO for approval and signature.

Step 2
- FBO signs application and selects access for appropriate areas:
  - Non-Movement Area
  - Movement Area
  - Vehicle Service Road
- FBO submits completed application to Airport Administration.

Step 3
- Airport Administration registers Driver for online learning access.
- Airport Administration emails user sign in and training directions to the Driver.

Step 4
- Driver takes online training course.
- Driver passes online written test.

Step 5
- Airport Administration tracks Driver Access and Recurrent Training: (Calendar Months-CM)
  - 12 CM- Movement
  - 24 CM- Non-Movement
  - 24 CM- Vehicle Service Road
- Airport Administration notifies FBO of Driver completion.

- FBO completes Driver orientation, ensures insurance requirements are met then approves appropriate driving privleges.

Congratualtions! You have succesfully completed your training!
