Project Comments:	<p>I AM VERY CONCERNED THAT AIRCRAFT CALL LEAD AT ALL HOURS. LINDBERGH HAS A 10:00 PM LIMIT AND I FEEL PALOMAR SHOULD BE THE SAME</p> <p>ALSO, THERE SHOULD BE MORE CONTROL OF THE FLIGHT TRACKS, EVEN FOR <del>LOW</del> CRAFT FLYING LOW - THE NOISE IS WORSE WITH THOSE PLANES. THEY SHOULD NOT BE ALLOWED OVER HOUSES .</p>
	<input checked="" type="checkbox"/> Yes, please send me project notifications

I19-1

**Response to Letter I19****Gary Polster**

- I19-1** The commenter states that quiet hours must be implemented similar to Lindbergh Field (now called San Diego International Airport). Please refer to Master **Response 3 (Voluntary Noise Abatement Procedures)** and **Master Response 7 (FAA Involvement and Oversight)**. Furthermore, this comment does not raise an issue concerning the analysis or adequacy of the PEIR pursuant to CEQA Guidelines Section 15088. Therefore, no further response is required.
