**To:** LUEG, PalomarMP  
**Subject:** General Aviation Hangars

Dear Sirs:

It is imperative that provision is made in the plan to keep all of the currently installed general aviation hangars.

**Response to Letter I24****Donald Moore**

- I24-1** The County acknowledges this comment; however, it does not raise an issue concerning the analysis or adequacy of the PEIR pursuant to CEQA Guidelines Section 15088. Therefore, no further response is required. This comment is included in the Final PEIR for review and consideration by the County Board of Supervisors prior to a final decision on the Proposed Project.
