Re: Request for Extension of Public Review and Comment Period on the McClellan-Palomar Airport Master Plan Update and Draft Program Environmental Impact Report

Dear Ms. Curtis:

We represent the City of Carlsbad in connection with its review of the McClellan-Palomar Airport Master Plan Update (“Master Plan Update”) and Draft Program Environmental Impact Report (“DEIR”) prepared in connection with the Master Plan Update. On the City’s behalf, we hereby request a 30-day extension of the public review and comment period on the Master Plan Update and DEIR from March 5, 2018 to April 3, 2018.

The City and its residents are keenly interested in the Master Plan Update and its various project components. Accordingly, the City intends to coordinate careful review of the Master Plan Update and DEIR by City staff as well as outside consultants and legal counsel. The City requests the extension to ensure that it has adequate time to conduct the necessary review and coordinate thoughtful comments to both documents.

L1-1

Thank you for your consideration.

Sincerely,

Kaplan Kirsch & Rockwell
