PUBLIC NOTICE PROCEDURE

BACKGROUND

Applications to Remand Previously Relinquished Access Rights require a public notice package with the application for the purpose of notifying nearby property owners. This notice provides the nearby property owners with an opportunity to determine the impact of the application upon their property and to express their concerns, if any to the County and the decision-making body.

WHAT YOU MUST PROVIDE

A public notice package must contain all the following items:

1. **San Diego County Assessor's map(s)** showing the entire property (project site) outlined in red with a green line encircling the property at a distance of three hundred feet (300') from the property line. Each parcel lying wholly or in part within the three hundred feet (300') shall have its number colored yellow with a "highlighter" pen or colored pencil. Assessor's maps must be 11" x 17" (full size) and not reduced.
2. **Typed list of all affected property owners** (project site and parcels highlighted in yellow above) by Assessor's Parcel number with name and address. (The addressee must be the property owner and not the leasee or renter.) **You must provide a minimum of twenty (20) different property owners.** See applicant's guide for the "Preparation of Public Notice Package".
3. **Two (2) sets of stamped (no postage meter allowed) and addressed (typed) envelopes** (4-1/4" x 9-1/2" "business" size) for each property owner on the list. If a property owner has several parcels, you need only submit one envelope with each set. No enclosed business cards are allowed. Return address will be provided at intake.
4. **Two (2) sets of gummed labels** on 8-1/2" x 11" sheets containing the names and addresses of all property owners. These labels are necessary for a possible appeal. The names on these labels must match the names on the typed list.
5. **Completed Public Notice Certification.** This form, signed by the applicant, certifies that the names and addresses submitted with the public notice package are from the latest adopted San Diego tax roll.
6. **Completed Supplemental Public Notice Certification.** Remandment of Previously Relinquished Access Rights requires notification of nearby apartments and mobile home parks in accordance with Board Policy I-49.
