## Minutes

**WHEN:** Thursday, Mar 14, 2019 from 12:00-2:00 p.m.

**WHERE:** 5510 Overland -4th Floor Conf Room

1. Welcome and Introductions – Bob Hill (EDCO), Natalia King (I Love a Clean San Diego), Beryl Flom (League of Women Voters San Diego), Rick Anthony (Citizens Advisory Committee), Carmen Romo Diego (City of San Diego), Ellyn Law (County of San Diego), Steve Weihe (County of San Diego), Stephen Mergener (Scalvage)
2. Approval, Minutes Feb 2019- Approved with no corrections.
3. Chair's Report
  - The Chair reported on the Water and Waste Management International Conference and Expo 2019 in Hyderabad, India (2/19-2/20) where the following topics were discussed: zero waste, single-use plastics and marine debris.
  - A list of upcoming events were shared, including EarthFair 2019 at Balboa Park (4/28) and San Diego Fix-It Clinic at South Bay Earth Day (4/6).
4. Staff Reports
  - City of San Diego
    - The City continues implementing the Polystyrene Foam and Single Use Plastics Ordinance. An update on the implementation and outreach of the ordinance will be shared at the Environment Committee (3/14). Information on the ordinance can be found on line at: [www.sandiego.gov/environmental-services/recycling/pf-ban](http://www.sandiego.gov/environmental-services/recycling/pf-ban).
  - County
    - The County continues implementing the Strategic Plan to Reduce Waste and is proceeding with stakeholder outreach meetings for proposed changes to the construction and demolition recycling ordinance (3/20) and non-exclusive franchise hauler agreements (April 2019). The County is also working with Planning & Development Services on zoning revisions related to organic materials management.
    - The County is developing a social media playbook to encourage public participation in waste reduction and diversion related behaviors.
    - The County's Facility Diversion Report is being reviewed.
    - The County of San Diego and Cities of San Diego and Chula Vista are sponsoring the Reuse and Repair Area at EarthFair (4/28) and are looking for exhibitors. Reuse and repair organizations and businesses are encouraged to participate. For more information, please contact 2019 Reuse & Repair Area Coordinators, Anais Putnam at [Aputnam@sandiego.gov](mailto:Aputnam@sandiego.gov) and Polina Osipova at [POsipova@sandiego.gov](mailto:POsipova@sandiego.gov).
    - The upcoming Used Oil Filter Exchange Events at five participating AutoZone stores (3/23) were announced. Event details can be found online at: <https://www.sandiegocounty.gov/content/sdc/dpw/recycling/Events.html>.
  - Haulers
    - Members discussed the National Sword Program.
    - EDCO reported capturing an increased amount of recyclable material due to the optical sorter at the EDCO MRF.

- I Love a Clean San Diego
  - A list of upcoming events were shared, including: Ramona Community Cleanup (3/16), Used Oil Filter Exchange Events (3/23), Save Your Scraps Workshop (3/16), Storm Drain Stenciling Day (3/30), and Creek to Bay Cleanup Day (4/27). For more information please visit: [www.ilacsd.org/events](http://www.ilacsd.org/events).
- LWV
  - The League of Women Voters will participate in EarthFair 2019 to discuss the importance of voting.

#### 4. Public Comments and Communication

- The Integrated Waste Management Technical Advisory Committee is discussing the creation of a recycling markets subcommittee.

#### 6. Regional Planning Issues

- The SB 1383 comment period closed March 4.

#### 7. Legislative Update

- AB 755-would increase the California tire fee by \$1.50 and deposit it into the Stormwater Permit Compliance Fund.
- AB 815-would require CalRecycle to find that a jurisdiction made a good faith effort to implement its source reduction and recycling element if the jurisdiction adopted a dual stream recycling program.
- AB 1080- would establish the California Circular Economy and Plastic Pollution Reduction Act which would require CalRecycle to adopt regulations to source reduce or recycle 75% of single-use packaging and products by 2030 and require all single-use packaging and products sold or distributed in California be either recyclable or compostable on and after 2030.
- AB 1488-would expand California Beverage Container Recycling Program reporting requirements to include beverage container reclaimers.
- AB 1583-would delete the prescribed triangle used on the label for all rigid plastic bottles and containers.
- AB 1770-would extend the operation of the Rubberized Pavement Market Development Act to June 30, 2024.
- SB 667-would develop financial incentive mechanisms to fund organic waste recycling infrastructure.
- SB 724-would increase the number of convenience zone exemptions for beverage container recycling centers and return processing payments to their 2015 levels.

#### 8. Roundtable-None.

#### 9. Adjournment

- Next meeting scheduled for April 11, 2019.
