1. What is an Approved Collector for construction and demolition debris?

An Approved Collector means a collector that has been approved by the County to provide construction and demolition (C&D) collection services within the unincorporated county, agrees to deliver C&D to approved C&D processing facilities, and agrees to maintain records and submit reports in accordance with sections 68.514(c)(2)(v) and 68.519(f) of the County's Solid Waste [Ordinance](#).

2. Is my project eligible for the Approved Collector Compliance method?

A project is eligible to use the Approved Collector Compliance method if the following conditions are met:

- Project is between 1,000 - 5,000 ft².
- A Letter of Agreement (LOA) between permittee and Approved Collector is signed and submitted prior to start of project (this form).
- A Debris Management Plan (DMP) is signed and submitted by permittee prior to start of project.

3. An Approved Collector will:

- Sign a Letter of Agreement (LOA) with a permittee (sample LOA on page 1).
- Collect C&D material and deliver to approved C&D processing facilities (list on page 3).
- Maintain records of C&D material collected and transported for recycling or disposal. Records include but are not limited to:
 - Facility receipts - Listing name, date, material types and tonnages
 - Documentation including pictures of material reused onsite (typically permittee will track and submit to Approved Hauler)
 - Documentation including pictures of material salvaged for use off-site (typically permittee will track and submit to Approved Hauler)
- Submit documentation of C&D diversion and/or landfill materials no later than 180 days after the County issues a passed final inspection notice (certificate of occupancy). The official Debris Management Report to prove compliance can be submitted to the County by either the Approved Collector or the permittee.

4. A permittee will:

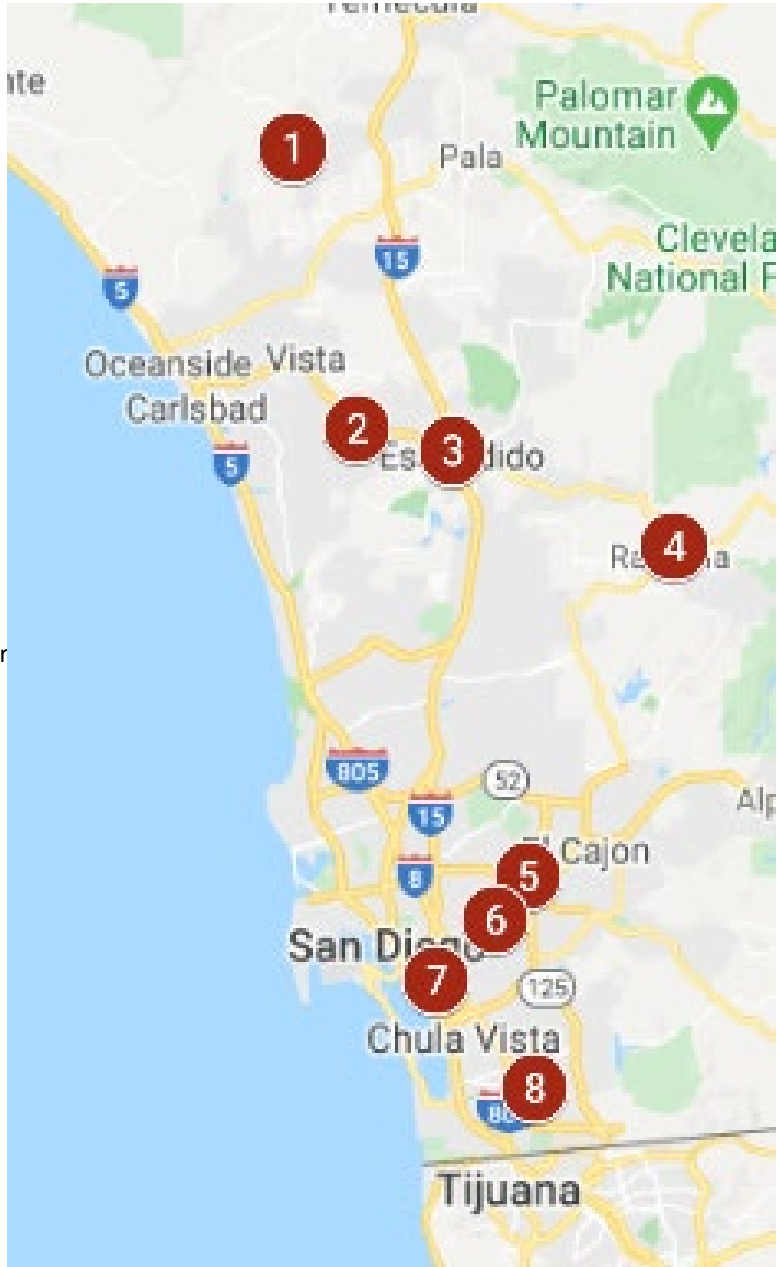

- Submit a DMP to the PDS Land Development (LD) counter at the County Permit Center at 5510 Overland Ave., Suite 110.
- Sign and submit completed LOA to CDRecycling@sdcounty.ca.gov.
- Contract with Approved Collector to haul C&D debris.
- Document reuse of C&D material on-site (pictures and explanation required) and share with Approved Collector.
- Document salvage of C&D materials for use off-site (pictures & explanation required) and share with Approved Collector.
- Work with Approved Collector to submit a final DMR no later than 180 days after the County issues a passed final inspection notice (or a certificate of occupancy).
