### Does my project need a Performance Guarantee or a Permit, or both?

- As of April 1, 2020, a C&D Permit and a Performance Guarantee are required for building & demolition projects >5,000 ft<sup>2</sup>
- As of January 1, 2021, a C&D Permit and a Performance Guarantee are required for building and demolition projects >5,000 ft<sup>2</sup> and those projects between 1,000 and ≤ 5,000 ft<sup>2</sup> that do not use an Approved Collector.
- Major Grading projects (>5,000 cu. yds) do NOT require a Performance Guarantee but DO require a [Debris Management Plan \(DMP\)](#) & must comply with recycling requirements through the Major Grading Permit process.
