

AN ORDINANCE PROVIDING A PROCEDURE FOR FIXING AND
COLLECTING CHARGES ON THE TAX ROLL FOR PERMANENT
ROAD DIVISION NO. 1000, ZONE NO. 1017 – KALBAUGH/HALEY/TOUB STREETS

The Board of Supervisors of the County of San Diego, acting on behalf of San Diego Countywide Permanent Road Division No. 1000, Zone No. 1017 – Kalbaugh/Haley/Toub Streets, ordains as follows:

Section 1. Purpose. San Diego Countywide Permanent Road Division No. 1000, Zone No. 1017 – Kalbaugh/Haley/Toub Streets (PRD 1017) is authorized to provide services of annual, one-time grading operations. Additional road maintenance and improvements may be performed when funds are available and as authorized by the Permanent Road Division Zone road committee. Any road maintenance or improvements that cannot be funded by the assessment remain the responsibility of property owners. These sections further authorize the Board to collect such charges on the tax roll by adopting the procedure set forth herein. The above recitals, and each of them, are true and correct.

Section 2. Fixing of Charges. There is hereby established an annual maximum assessment on each parcel of taxable property within PRD 1017 of up to \$326.22 per equivalent benefit unit (“EBU”) with all assessments subject to adjustment for annual increases in the cost of living based on the annual increase, if any, in the Los Angeles Construction Cost Index (“LACCI”) as published in the Engineering News Record, or any comparable index for the Southern California area should the LACCI cease to be available. Such charges shall be reviewed by staff annually and shall be fixed by the following procedure:

- (a) A budget shall be proposed for the fiscal year specifying amounts required to provide the required level of services proposed to be funded and the required level of services proposed to be funded by the assessments.
- (b) The fund balance and any revenues to be obtained from a source other than the assessment established by this Ordinance, shall be deducted from the amount of the proposed budget.
- (c) The balance remaining shall be apportioned to the total number of units subject to assessment in accordance with the rate and method of apportionment set forth in the Engineer’s Report dated December 2019 on file with the County of San Diego.

Section 3. Preparation of Report, Hearing, and Transmission to Auditor.

- (a) Once a year the Board of Supervisors shall cause to be prepared a written report which shall contain a description of each parcel of real property receiving the particular service and the amount of the charge for each parcel for such year computed in conformity with the procedure set forth in this Ordinance authorizing collection of such charges on the tax roll. Such report shall be filed with the Clerk of the Board of Supervisors.
- (b) Upon filing of such report, the Clerk shall fix a time, date, and place for hearing thereon and for filing objections or protests thereto. The Clerk shall publish notice of such hearing

as provided by Government Code Section 6066, prior to the date set for hearing, in a newspaper of general circulation printed and published in the County.

(c) At the time, date, and place stated in the notice, the Board of Supervisors shall hear and consider all objections or protests, if any, to the report and may continue the hearing from time to time. Upon conclusion of the hearing, the Board of Supervisors may adopt, review, change, reduce or modify any charge and shall make its determination upon each charge as described in the report; and, thereafter, by Resolution, shall confirm the Report. Any change that increases or extends the levy beyond the date or amounts approved by the property owners, shall be subject to approval in accordance with Article XIID of the California Constitution. Upon approval, the increased or extended charge may be implemented. The report shall be transmitted to the Auditor no later than August 10 of the fiscal year in which charges shall apply.

(d) Charges set forth in the Report, as confirmed, shall appear as a separate item on the tax bill. The charge may be collected at the same time and in the same manner as ordinary County ad valorem property taxes are collected and shall be subject to the same penalties and the same procedure and sale in case of delinquency as provided for such taxes. All laws applicable to the levy, collection, and enforcement of County ad valorem property taxes shall be applicable to such charge except that if real property to which such charge relates has been transferred or conveyed to a bona fide purchaser for value, or if a lien of a bona fide encumbrancer for value has been created and attaches thereon, prior to the date on which the first installment of such taxes would become delinquent, then the charge confirmed pursuant to this section shall not result in a lien against such real property but instead shall be transferred to the unsecured roll for collection.

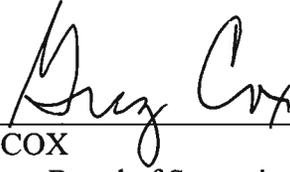

Section 4. Effective Date. This Ordinance shall take effect and be in force thirty (30) days after the date of its passage, and before the expiration of fifteen (15) days after its passage, a summary shall be published once with the names of the members voting for and against the same in a newspaper of general circulation published in the County of San Diego.
