**This letter is not a bill and there will not be an increased assessment charge on the next property tax bill.**

**February 16, 2022**

**RE: PERMANENT ROAD DIVISION ZONE 13B PUBLIC MEETING**

You are receiving this letter because your property at Address (APN) is located within Permanent Road Division (PRD) Zone 13B. PRD Zones are special districts that provide property owners a way to fund maintenance of their private roads (and culverts). Road maintenance is provided by the Department of Public Works and primarily funded through property owner paid assessments charged annually on property tax bills.

PRD Zone 13B includes 1.43 miles of private roads, including 5 culverts and portions of Stewart Canyon Road. The County of San Diego's Department of Public Works provides road and culvert maintenance that are funded with PRD Zone 13B revenues.

**Public Meeting Information**

A virtual public meeting for PRD Zones 13B, 20 and 88 has been scheduled for March 9, 2022 at 5:30 P.M. to collect property owner input on possible changes to the PRD Program to ensure road maintenance services are adequately funded. Your feedback will be used to develop program options that will be presented to the San Diego County Board of Supervisors (Board) in May 2022.

Information on how to participate in the meeting is on the last page of this letter and our website: <https://www.sandiegocounty.gov/content/sdc/dpw/specialdistricts/prd/>

Staff will be presenting information on the potential impacts if the County establishes a road condition requirement. Additional options for establishing a timeframe to complete road maintenance, amending the County PRD loan program, and the role of PRD Zone road committees will also be discussed.

**Potential Impacts**

**Este no es un billete.**

Su propiedad está ubicada en un distrito especial, PRD Zone 13B, que financia el mantenimiento de carreteras privados con impuestos pagadas por el dueño de la propiedad. Por favor, atender a una reunión pública para aprender sobre los cambios propuestos en el programa que podrían afectar a los costos y servicios de los propietarios en PRD Zone 13B.

Este documento esta disponible en español. Por favor llame al (858) 495-5470 para solicitarlo o visite: <https://tinyurl.com/SDPRD>

## PERMANENT ROAD DIVISION ZONE 13B PUBLIC MEETING

Road condition, measured by a pavement condition index (PCI), is based on road smoothness and pavement surface distress. PCI is measured on a scale of 0 to 100, with scores of 50-70 considered “good” condition. The County has a PCI Goal of 70 for County-maintained roads in the unincorporated area, which is considered a “good” condition. There is currently no PCI standard for PRD Zone roads.

If the Board establishes a required PCI level for all PRD Zones, an increased property owner assessment would be needed to fund PRD Zone 13B road work to meet the PCI level. If PRD Zone roads do not meet a required PCI level within an established timeframe due to insufficient funding, that PRD Zone could be dissolved and property owners would be responsible for maintenance of the private roads themselves. The road work required to meet a PCI level includes initial repairs and regular maintenance within a 10-year time period.

PRD Zone 13B roads are currently in poor condition, with an overall pavement condition score of 49.6. The annual revenue for PRD Zone 13B is currently \$31,419 with \$25,100 from property owner paid assessments and \$6,319 from a portion of the countywide property tax revenue.

Additional information on the PRD Program and ability to sign-up for email updates are available on our website, listed below. Please contact us with any questions or concerns.

Sincerely,

A handwritten signature in blue ink that reads "Neil Searing".

# Virtual Public Meetings

## General Information

Presentations will be available on our website, in English and Spanish, prior to the meetings. Letters will be sent to property owners with information on future meetings. Please contact us for additional language translation services.

You may join the meetings by internet or phone. If you need help joining the meeting, go to <https://help.webex.com>, search WebEx tutorials on youtube.com, or visit our website for who to contact for assistance: <https://www.sandiegocounty.gov/content/sdc/dpw/specialdistricts/prd/>

- If you join by internet, you will be able to participate by enabling your microphone or by typing a question into the chat. Join from the meeting links available on our webpage (listed in this letter) or by entering the meeting information (listed below) on WebEx's site: <https://sdcountyca.webex.com>
- If you join by phone, you will be able to participate when staff unmute all participants by pressing \*6 to unmute yourself. Call US Toll: 1-470-238-5742 or call Mexico Toll: 52-556-722-5298 and enter the meeting information listed below for the specific meeting date.

## PRD Zone 13B, 88 & 20 Virtual Public Meeting:

This meeting is open to property owners within PRD Zones 13B, 88 and 20, and will include specific information on each PRD Zone's road conditions, finances, and potential impacts from establishing a required PCI level. Property owners will be asked to share feedback about the program options under development and other program options they would like to have considered.
