Fiscal Year Budget 2026/2027: CSA 26B Monte Vista

This document contains information regarding the fiscal year 2026/2027 annual budget for County Service Area (CSA) 26B Monte Vista.

CSA Information:

A map of your CSA with boundaries and maintained areas is available online at [County Service Area 26B \(CSA 26B\) \(sandiegocounty.gov\)](#). A brief description of your CSA is listed in the table below:

Number of Taxable Parcels in CSA Boundary	700
Assessment Rate per Benefit Unit*	\$200

** A benefit unit is a unit of measure assessed to each parcel based on their benefit from the CSA. The current rate, per benefit unit, is included in the table above. Additionally, a parcel's specific charge can be researched with an assessors' parcel number or mailing address at <https://wps.sdttc.com/WebPayments/CoSDTreasurer2/search>.*

CSA Budget:

A majority of CSA funds are budgeted each year for maintenance services, and CSA management. Information on planned landscape services is included below.

- **Maintenance Services** includes:
 - Routine services: Trimming (tree, shrub, and vegetation), weed abatement, litter removal, erosion control, irrigation, and fertilization.
 - Non-routine Landscape Maintenance Services: Unanticipated maintenance such as tree removal, irrigation repairs, planting and other services that are required beyond the scope of monthly routine landscape maintenance.
- **Maintenance Coordinator** includes the time spent performing field inspections, responding to property owner service requests, developing job estimates, contracting, providing direct maintenance services, and overseeing work.
- **Administration** includes all costs associated with managing the CSA in compliance with State and local laws. It includes the financial management of the CSA, annual tax enrollment, staff time for information requests, telephone call responses, written correspondence, response to complaints, and any other activities requested by property owners.

Current Fiscal Year Budget*
