SUBJECT: Special District Elections to Establish Maximum Tax Rate

Pursuant to the requirements of Senate Bill 90 prior to your Board establishing a tax rate greater than that in effect for fiscal year 1972-73, the consent of the majority of registered voters within the special district must be obtained. As noted at the time the special district budgets were presented to you for your consideration, numerous County Service Areas will require elections if the work program requested can be implemented. Although there are bills before the legislature which would eliminate the need for a great number of these elections, there is no assurance said bills will be enacted into law and become effective prior to the time the 1973-74 tax rates are established, accordingly it is my

RECOMMENDATION:

That your Board adopt the attached resolutions ordering elections in 41 County Service Areas to establish the maximum tax rates in said Service Areas.

Discussion:

If the recommended work programs for the County Service Areas listed on the attached list are to be implemented, an increase from the 1972-73

JUN 12 1973 (132)

JUN 12 1973

tax rate for those Service Areas must be approved by the majority of the registered voters within the Service Area. The Registrar of Voters is prepared to conduct the subject elections if ordered to do so by your Board. The attached resolutions have been prepared by County Counsel for your consideration.

The last date on which an election can be held, its results tabulated and the information provided to the Auditor is Tuesday, August 7, 1973.

MINUTE ORDER NO. 10

SUBJECT: NOTICED PUBLIC HEARING:
RESOLUTIONS ORDERING THE DISSOLUTION OF ROAD COUNTY SERVICE AREAS AND ESTABLISHING PERMANENT ROAD DIVISION ZONES OF BENEFIT
(Supv. Dist: 3)

OVERVIEW:
On August 30, 1999, Governor Davis signed into law Senate Bill 614, initiated by San Diego County. On February 9, 2000 (4) the Board established San Diego Countywide Permanent Road Division No 1000, the first of its kind in the State. These actions are the result of efforts directed at cutting red tape and saving property owners money. By transferring existing road County Service Areas into zones of benefit in Permanent Road Division No. 1000, the Board will allow these property owners to benefit from faster and cheaper annexations and detachments of properties, as well as fee free and fast dissolution when appropriate. All of these transactions can be treated as administrative actions (compliant with Proposition 218) and County customers will not incur expense going through LAFCO and the State Board of Equalization – a savings of up to 80% for each action. During the lifetime of a PRD zone, anticipated savings per zone (for annexations, detachments and dissolutions) are conservatively estimated at between $2,000 and $10,000.

Today's request is to adopt a resolution to dissolve 58 road County Service Areas, along with a resolution to transfer responsibilities of these County Service Areas and their zones to the new Countywide Permanent Road Division No. 1000 (a successor agency) as zones of benefit.

FISCAL IMPACT:
Funds for this request are budgeted. Funding source is the Special Districts formation fund, which will be reimbursed subsequent to the dissolution. If approved, this request will result in a cumulative current year cost of approximately $32,500 and will require no additional staff years.

RECOMMENDATION:
CHIEF ADMINISTRATIVE OFFICER:

1. Find, in accordance with Section 15061(b)(3) of the California Environmental Quality Act (CEQA) Guidelines, it can be seen with certainty there is no possibility the activity in question may have a significant effect on the environment.

2. Adopt a Resolution entitled Resolution of the Board of Supervisors Ordering Dissolution of Fifty-Eight (58) Road County Service Areas and Their Six Zones.

3. Adopt a Resolution entitled Resolution Establishing Sixty-four (64) Successor Agency Zones of Benefit in San Diego Countywide Permanent Road Division No. 1000.

WHEREAS, pursuant to the Cortese-Knox Local Government Reorganization Act of 1985 (Govt. Code, Section 56000 et seq.) preliminary proceedings were commenced by resolution of the Board of Supervisors for dissolution of fifty-eight (58) road County Service Areas and their six (6) zones (Attachment A); and

WHEREAS, pursuant to Government Code Section 57002, the Clerk of the Board of Supervisors on May 15, 2000 gave notice of the hearing, said hearing to be held on June 14, 2000; and

WHEREAS, at said hearing on June 14, 2000, the Board heard and received oral or written protests against the dissolution and any objections or evidence, which were made, presented, or filed;

NOW THEREFORE, BE IT RESOLVED, ORDERED AND DETERMINED as follows:

(a) The proposal for dissolution of the fifty-eight (58) road County Service Areas and their six (6) zones as described in Attachment A was made by resolution of the Board of Supervisors pursuant to 56000 et seq. of the Government Code.
