Required Attachments

Please attach the following to this application:

1. **At least two pre-project photos of native plant installation area:** The pre-project photos should show irrigated turf. Photos should be taken in daylight, horizontal/landscape orientation, and labeled with project details. Exclude faces, addresses, and pets.
2. **Your SoCal WaterSmart Turf Replacement Plan**, with the following items included. If you have not yet created your SoCal WaterSmart Turf Replacement Plan, please refer to the [Turf Replacement Plan Template](#) for guidance:
 - Total square footage of turf to be removed
 - Location and square footage of native plant areas to be installed
