

# Other Healthcare Professional

## CoSD EMS Recognition

The *Other Healthcare Professional* status is intended to allow non-traditional EMS providers to access the LEMSIS.

If you are a paramedic intern, a Registered Nurse practicing in the prehospital/interfacility environment (e.g. CCT RNs), or a paramedic practicing at the BLS level, please go to

[cosd.imagetrendlicense.com](http://cosd.imagetrendlicense.com) to begin

submitting your Other Healthcare

Professional application online. There is no fee for this registration.

Please use Google Chrome or Firefox, as the platform does not translate well to Safari/Opera web browsers.

Here are the steps to register as an Other Healthcare Professional:

- Log in to your account on [cosd.imagetrendlicense.com](http://cosd.imagetrendlicense.com)
- Select the *Other Healthcare Professional* application
- Digital copies of the following documents:
  - Professionally appropriate portrait-style photo for your LEMSIS ID eCard (optional)
  - Government-issued photo ID (ex. Driver's license)
  - Paramedic Intern: submit a copy of your current State of CA EMT card, current ACLS card, and select which Paramedic Training Program you are enrolled in
    - For Out-of-County trained interns, also submit Paramedic Accreditation Workshop verification
  - Paramedic Working at BLS Level: submit a copy of your current California Paramedic license (**Note: This registration will suspend any County of San Diego EMS Paramedic accreditation upon issuance**)
  - Registered Nurses (non-MICNs): submit a copy of your current State of CA Registered Nurse License
- Complete the application

Email [EMSCertifications@sdcounty.ca.gov](mailto:EMSCertifications@sdcounty.ca.gov)

### Reminder:

There are no hard copy "county cards" or "I/P/N numbers" after January 2017 – Instead, log into LEMSIS to print your LEMSIS ID card.
