I. PURPOSE

To establish a mechanism for application and approval of Advanced Emergency Medical Technician (AEMT) training programs in San Diego County.

II. AUTHORITY: Health and Safety Code, Division 2.5, Sections 1797.107, 1797.171, 1797.200, 1797.208, 1797.218, and 1798.

III. POLICY

- A.** AEMT training programs must meet the requirements of the California Code of Regulations, Title 22, Division 9, Chapter 3, pertaining to AEMT training program approval, and the County of San Diego, Emergency Medical Services (CoSD EMS) requirements listed in the attached training program application.
- B.** Students accepted into AEMT training will already have one year experience as an Emergency Medical Technician (EMT), preferably with 9-1-1 responses, as a minimum requirement for enrollment in AEMT course.
- C.** AEMT training programs must have approval of CoSD EMS prior to the program being offered. To receive program approval, requesting training agencies must apply for approval to CoSD EMS and submit all materials listed on the “Advanced Emergency Medical Technician Training Program Application”.
- D.** Program approval or disapproval shall be made in writing by CoSD EMS to the requesting training program within a reasonable period of time after receipt of all required documentation. This period of time shall not exceed three months.
- E.** CoSD EMS shall establish the effective date of program approval in writing upon the satisfactory documentation of compliance with all program requirements.

San Diego County Emergency Medical Services Office
Policy / Procedure / Protocol

- F.** Program approval shall be for four years following the effective date of approval and may be renewed every four years, subject to the procedure for program approval specified in Section C above.
 - G.** Approved AEMT training programs shall be subject to periodic review including, but not limited to:
 - 1. Periodic review of all program materials
 - 2. Periodic on-site evaluation by CoSD EMS
 - H.** Approved training programs shall notify CoSD EMS in writing in advance, when possible, and in all cases, within 30 days of any change in course content, hours of instruction course director, and program director or program clinical coordinator.
 - I.** Approved training programs shall report in writing the name and address of each person receiving a course completion record and the date of course completion to CoSD EMS within 15 days of course completion.
 - J.** Noncompliance with any criterion required for program approval, use of any unqualified teaching personnel, or noncompliance with any other applicable provision of the above may result in withdrawal, suspension, or revocation of program approval by CoSD EMS subject to the provision that an approved AEMT training program shall have a reasonable opportunity to comply with these regulations, but in no case shall the time exceed 60 days from date of written notice to withdraw program approval.
