CoSD EMS Personnel will accept infants brought to them with the intent of surrendering the child. The infant should be accepted for surrender even if the child's age is suspected to exceed 72 hours.

- B. A "Newborn Safe Surrender Kit" shall be used, and a confidential infant ID bracelet shall be placed on the newborn's ankle, and the number code from the bracelet recorded on the infant's Prehospital Patient Report (PPR).
- C. CoSD EMS Personnel will perform a rapid assessment of the infant to identify immediate medical needs, and this assessment will be documented on the infant's PPR. If there is any suspicion of child abuse, law enforcement should be contacted immediately.
- D. CoSD EMS Personnel shall offer care to the mother if she is the caretaker surrendering the infant. Documentation of the mother's assessment/care should be on a separate PPR, if provided.
- E. The caregiver surrendering the infant should be encouraged to immediately complete the "Newborn Family Medical History Questionnaire". If necessary, CoSD EMS Personnel should
