	Date: 7/1/2024		Page 1 of 3

I. PURPOSE

To establish the process for public comment, review, and implementing County of San Diego (CoSD) Local Emergency Medical Services Agency (LEMSA) policies and protocols.

II. AUTHORITY: Health and Safety Code, Division 2.5, Sections 1797.200, 1797.202, 1797.220 and 1798 et seq. California Code of Regulations, Title 22, Division 9 et seq., San Diego County Board of Supervisors Policy K-12.

III. DEFINITION(S)

Policy: A written set of rules, requirements, or principles applied to accomplish a course of action.

Protocol: Written directives and guidance used for patient treatment and disposition.

San Diego County EMS Office: The designated Local EMS Agency (LEMSA) for the County of San Diego. LEMSAs functions, as outlined in California Health and Safety Code, Division 2.5, Sections 1797 et seq., including EMS interagency coordination and medical control, public health surveillance activities, EMS data and quality of care, regulation, and enforcement, trauma registry reporting, and other activities related to the oversight of the prehospital health care system in California. These functions are primarily for the benefit of the county’s residents and visitors.

IV. POLICY

A. The CoSD EMS Office, as the LEMSAs for San Diego County, is responsible for developing and updating policies and protocols for the administration and operations of the EMS system. By state statute, the CoSD EMS Medical Director retains the final decision through his/her medical authority in matters pertaining to the planning, implementation and evaluation of the EMS system including all EMS policies and protocols. CoSD EMS shall follow the procedures outlined in this policy for public comment and approval of new or revised system policies or patient treatment protocols.
