Report of Communications Failure

Incident Information	Agency Information
Incident #:	Agency/Unit #:
Communication Information	
What was your approximate location when you first attempted to make contact ¹ ?	
Was this an equipment issue or a technical issue? Yes No	
Was this a routine busy radio traffic issue?	
Transport destination:	
Select all base hospitals you attempted to contact:	
□ Palomar Medical Center Escondido □ Scripps Mercy Hospital San Diego □ UCSD Medical Center Hillcrest □ Sharp Grossmont Hospital □ Scripps Memorial Hospital La Jolla □ No contact attempted □ Sharp Memorial Hospital □ Tri-City Medical Center	
Select which alternate communication strategy was used:	
Used a cellular phone to contact base hospital Requested that the assigned communications center contact a base hospital to relay patient acuity and destination	 Contacted the receiving hospital via the BLS/MT1 zones on the Regional Communications System (RCS) network Uploaded the prehospital care record (PCR) to the receiving facility prior to arrival (LEMSIS agency) No notification was made to the receiving facility
Was the required verbal report with a base hospital completed after patient transfer?	

¹ Approximate geographical location (e.g., I-15 South at Deer Springs Road). This information will be used to record geographic areas with weak radio or cellular service.
