**San Diego County Emergency Medical Services Office
Policy / Procedure / Protocol**

5. To consult with other medical specialties or other advisory bodies in the County as necessary
6. To evaluate written statement(s) from Base Hospital Medical Director(s) questioning the medical effect of an EMS policy

C. Election of Officers

Committee Officer shall consist of one chairperson who is a physician. Elections will take place during the last meeting of each calendar year and appointee shall assume office at the first meeting of the new calendar year. Officers elected shall serve a one year term and may be re-elected for an additional term.

- D.** Due to the “advisory” nature of the committee, many issues require consensus rather than a vote process. Vote process issues will be identified as such by the Chairperson. When voting is required, a “simple” majority of the voting members of the committee need to be present to constitute a quorum.
