

County of San Diego Older Californians Nutrition Program Congregate and To-Go Meals

To improve the nutritional health of older adults in San Diego, Aging & Independence Services (AIS) contracts with community partners to administer the Older Californians Nutrition Program, offering meals at various locations throughout the County. Nutrition sites offer sit down "congregate" meal services, and some provide to-go meals.

Meals are available to older adults age 60+. All eligible people will be given an opportunity to contribute to the cost of the meal, however no eligible person will be denied a meal for choosing not to contribute. Contributions are voluntary.

Details: Meal service information (lunch hours, to-go meal availability, etc.) differs for each provider, so please contact your nearest site for information or call the AIS Call Center at 800-339-4661 for further assistance. For information about other nutrition resources for older adults, please visit www.211SanDiego.org.
