Committee
Goal
Discussion

Looked at the 5 goals for the
Housing Committee and decided
on one that we wanted to tackle.
We felt all 5 goals are important
but we realized that we can't do
them all so we picked one:

#4 - Monitor and advise on AIS
programs; AIS interface with County
housing and homeless initiatives.

We need information from the AIS on

ALS involvement in County housing
and homeless initiatives. We requested
this information from Jenni Eise or
Kim on 11/4/19 at the Council mtg
