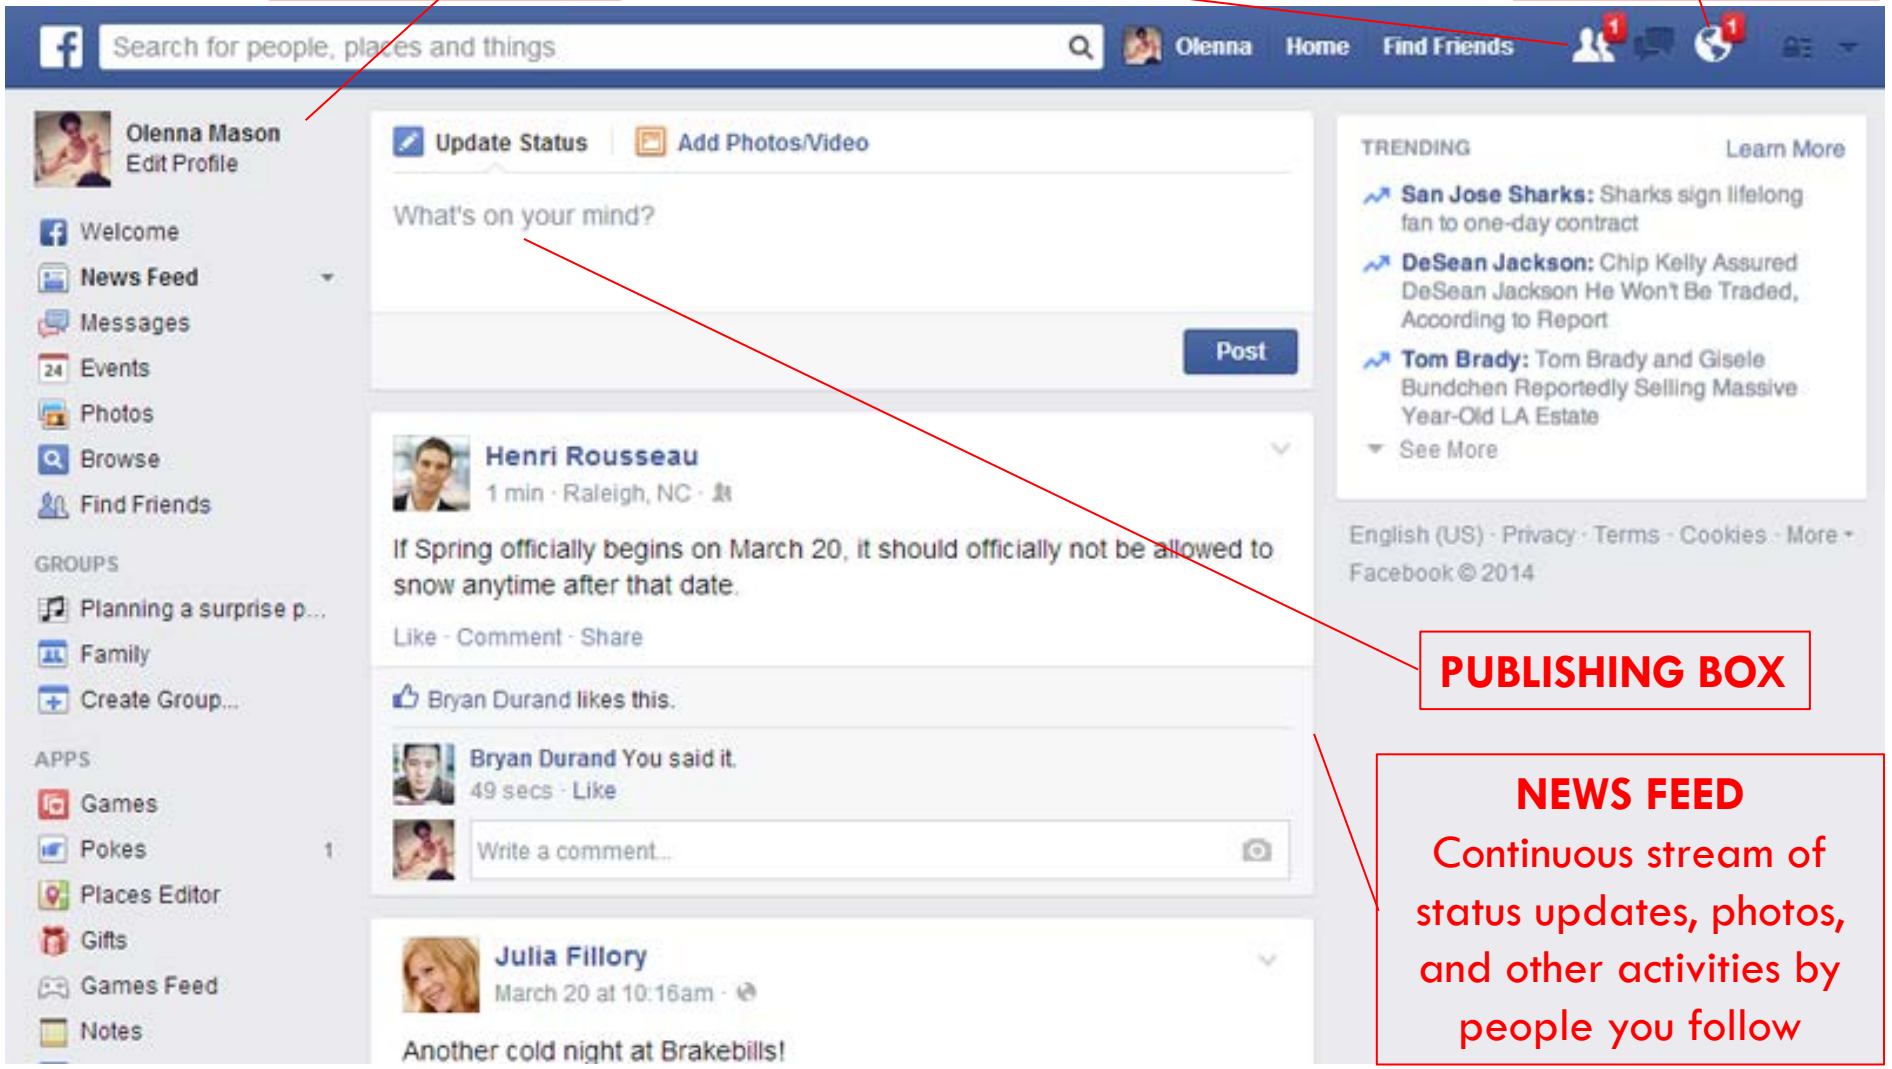
A BEGINNER'S GUIDE TO FACEBOOK

FACEBOOK INTERFACE: Stay up to date on latest news, activities, photos, links, and 'likes' from friends, Pages, Groups, and people you follow.



A BEGINNER'S GUIDE TO FACEBOOK

What is Facebook?

A free social networking website and service where users can connect with others online. Connect with family (grandchildren) and friends, send messages, share photos and videos, and stay up to date with news and stories. Share your own stories, thoughts, and photos.

How to Access Facebook

Download the 'Facebook' and/or 'Messenger' app or visit www.facebook.com.

How to Use Facebook

Facebook has two main parts: Newsfeed and Profile.

- Your Profile shows what you want your friends/followers to see, including birthday, life events, activities, and photos.
- Your Newsfeed shows what others share publically.
- You can like or comment on others' photos, status updates, and other activities.
- You can create groups, pages, or events and invite others.
- You can search for and connect with friends.

****Facebook and Messenger may look slightly different depending on the device you are using (phone versus computer).***

EXPRESS YOURSELF: Your profile encompasses both your Timeline and About sections.

A BEGINNER'S GUIDE TO FACEBOOK

Facebook Profile

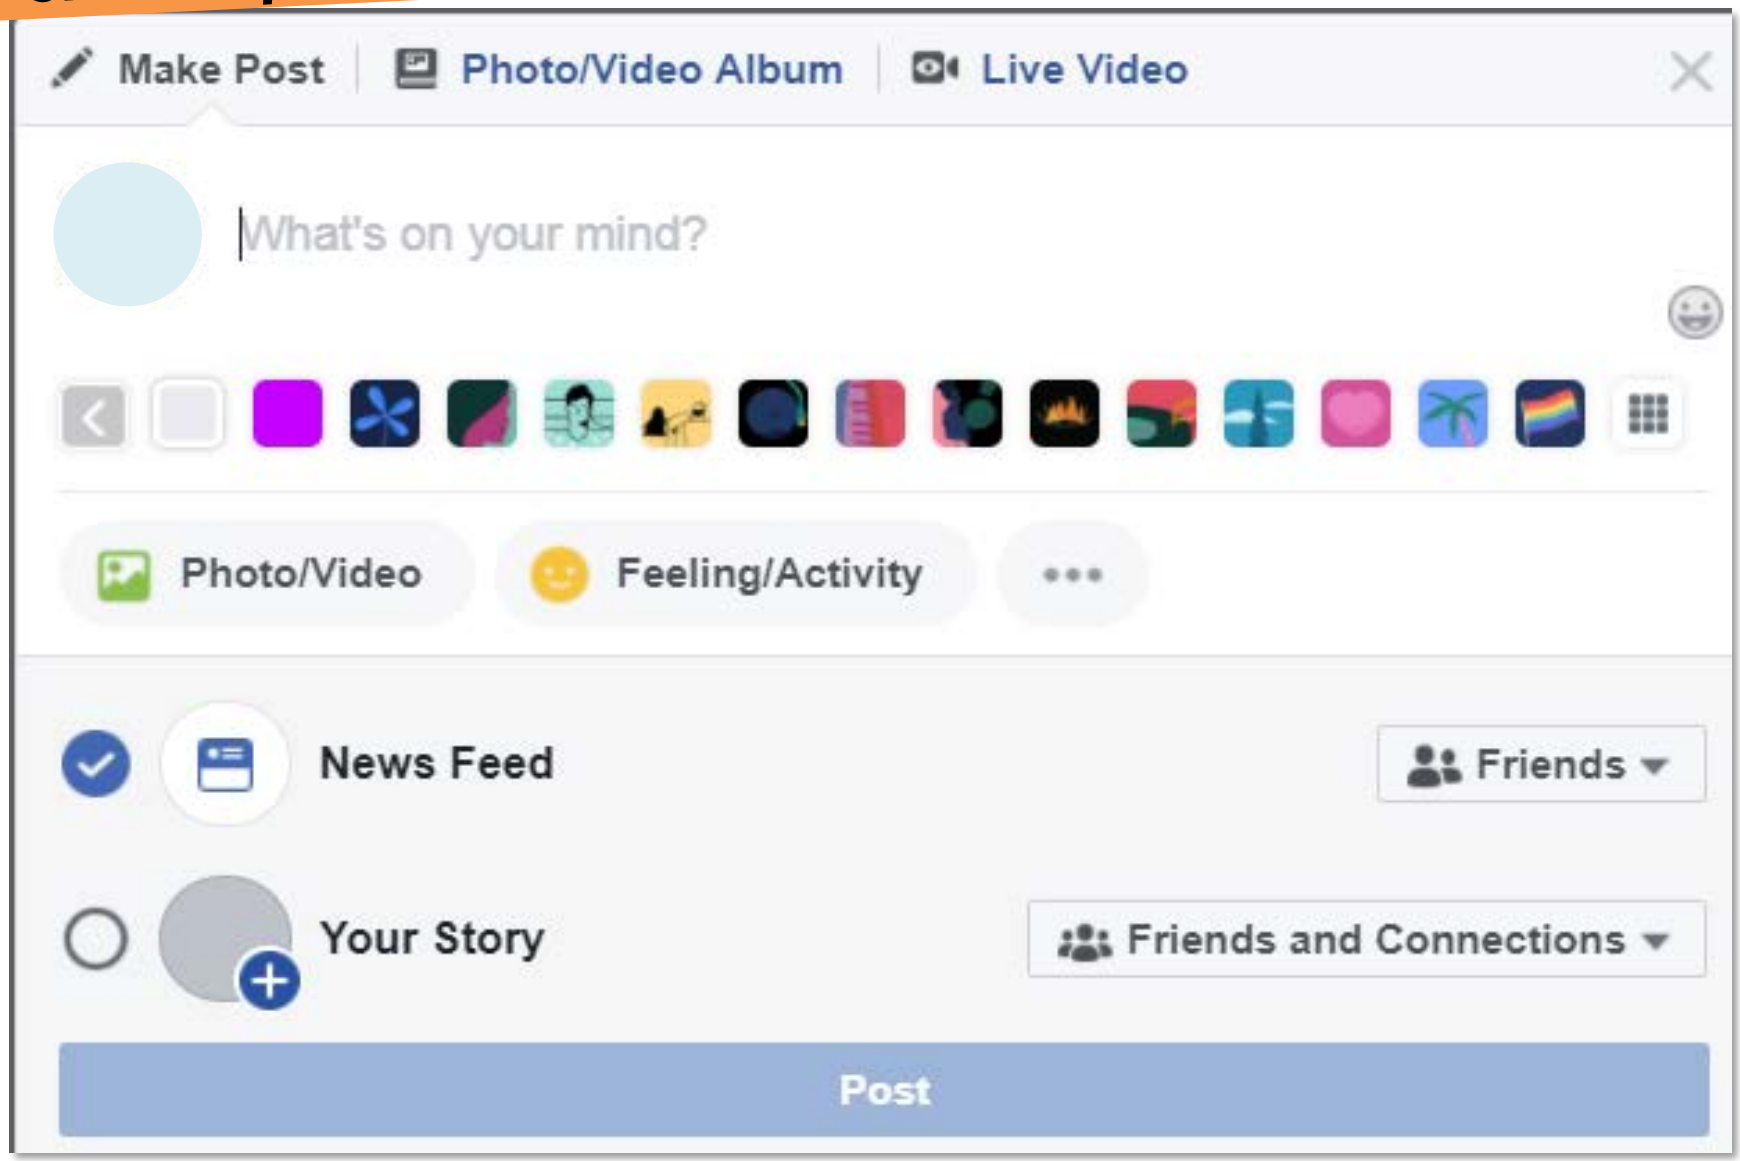
- Your **Profile** is your personal page that shows what you want your friends/followers to see.
- In your profile, you can:
  - Add a profile and cover photo.
  - Share information about yourself (e.g., hometown, work, school, relationship status).
  - **Update your status** with whatever is on your mind, share photos and videos, or links to articles.
  - See what others post directly to you on your wall.

Other features:

- You can like or comment on others' photos, status updates, and other activities.
- You can create groups, pages, or events and invite others. Some people use Facebook to invite people to events, weddings, parties, etc.
- You can search for and connect with friends in the search bar at the top.

COMMUNICATION SYSTEM: Engage with family and friends by posting status updates, sending private messages, or chatting.

Status Update



A BEGINNER'S GUIDE TO FACEBOOK
