

To improve the nutritional health of seniors in our region, Aging & Independence Services contracts with community partners to provide meals at various locations throughout the County. Nutrition sites offer sit down "congregate" meal services. Please note: Many meal sites are in the process of reopening and some are continuing to serve meals to-go. To confirm congregate dining status and service time please reach out to the program directly.

Cost: meals are available to seniors age 60+ for a suggested contribution. When meals are available, no eligible senior shall be turned away for inability to contribute.

Eligibility: Pick-up meals are available to adults age 60+. Home delivery has additional eligibility requirements.

Details: Meal service information (pick up times, zip codes serviced, etc.) differs for each site, so please contact your nearest site for information or call the AIS Call Center at 800-339-4661 for further assistance. Due to the rapid pace of changes during COVID-19, you may wish to check the capacity of these organizations to provide more meals. To do so, you may search for the site name at 2-1-1's website at [www.211SanDiego.org](http://www.211SanDiego.org). or call the site itself to inquire.
